

**RESOLUTION NO. 2024-103
VILLAGE OF CALEDONIA**

**A RESOLUTION APPROVING THE SALE OF APPROXIMATELY
\$9,495,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2024A**

The Village Board for the Village of Caledonia, Racine County, WI do resolve as follows:

WHEREAS the Village of Caledonia, Racine County, Wisconsin (the "Village") is presently in need of approximately \$9,495,000 for public purposes, including paying the cost of water system and sewer system improvements inside and outside of Tax Incremental District No. 4, Crawford Park improvements, street improvement projects and the acquisition of a fire truck (collectively, the "Project"); and

WHEREAS it is desirable to borrow said funds through the issuance of general obligation promissory notes pursuant to Chapter 67, Wisconsin Statutes.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village that:

Section 1. Issuance of the Notes. The Village shall issue its General Obligation Promissory Notes, Series 2024A in the approximate amount of \$9,495,000 (the "Notes") for the purposes above specified.

Section 2. Sale of the Notes. The Village Board hereby authorizes and directs that the Notes be offered for public sale. At a subsequent meeting, the Village Board shall consider such bids for the Notes as may have been received and take action thereon.

Section 3. Notice of Sale. The Village Clerk (in consultation with Ehlers & Associates, Inc. ("Ehlers")) be and hereby is directed to cause notice of the sale of the Notes to be disseminated in such manner and at such times as the Village Clerk may determine and to cause copies of a complete Notice of Sale and other pertinent data to be forwarded to interested bidders as the Village Clerk may determine.

Section 4. Official Statement. The Village Clerk (in consultation with Ehlers) shall cause an Official Statement to be prepared and distributed. The appropriate Village officials shall determine when the Official Statement is final for purposes of Securities and Exchange Commission Rule 15c2-12 and shall certify said Official Statement, such certification to constitute full authorization of such Official Statement under this resolution.

Section 5. Reimbursement. The Village Board hereby officially declares its intent pursuant to Treasury Regulation Section 1.150-2 to reimburse any expenditures made in connection with the Project prior to the issuance of the Notes with the proceeds of the Notes in an amount not to exceed \$9,495,000

Adopted by the Village Board of the Village of Caledonia, Racine County, Wisconsin, this 8 day of October, 2024.

BUILDING COMMUNITIES. IT'S WHAT WE DO.

EXECUTIVE SUMMARY OF PROPOSED DEBT

Proposed Issue:

\$9,495,000 General Obligation Promissory Notes, Series 2024A (the “Notes”).

Purposes:

The proposed issue includes financing for water system and sewer system improvements inside and outside of Tax Incremental District No. 4, Crawford Park improvements, 2024 and 2025 street improvement projects, and the acquisition of a fire truck. Though the Village is pledging ad valorem property taxes to pay the debt service, it is expected that the debt associated with Tax Incremental District No. 4 projects, water projects, and sewer system projects will be abated by associated revenues. Remaining debt service will be supported directly by ad valorem property taxes.

Authority:

The Notes are being issued pursuant to Wisconsin Statute 67.12(12). The Notes will be general obligations of the Village for which its full faith, credit and taxing powers are pledged.

The Notes count against the Village’s General Obligation Debt Capacity Limit of 5% of total Village Equalized Valuation. Following issuance of the Notes, the Village’s total General Obligation debt principal outstanding will be approximately \$88,610,000, which is 48% of its limit. Remaining General Obligation Borrowing Capacity will be approximately \$96,875,655.

Term/Call Feature:

The Notes are being issued for a term of 20 years. Principal on the Notes will be due on April 1 in the years 2025 through 2044. Interest will be due every six months beginning April 1, 2025.

The Notes will be subject to prepayment at the discretion of the Village on May 1, 2033 or any date thereafter.

Bank Qualification:

Because the Village is expecting to issue no more than \$10,000,000 in tax exempt debt during the calendar year, the Village will be able to designate the Notes as “bank qualified” obligations. Bank qualified status broadens the market for the Notes, which can result in lower interest rates.

Rating:

The Village's most recent bond issues were rated by Moody's Investors Service. The current rating on those bonds is "Aa2". The Village will request a new rating for the Notes.

If the winning bidder on the Notes elects to purchase bond insurance, the rating for the issue may be higher than the Village's bond rating in the event that the bond rating of the insurer is higher than that of the Village.

Basis for Recommendation:

Based on your objectives, financial situation and need, risk tolerance, liquidity needs, experience with the issuance of Notes and long-term financial capacity, as well as the tax status considerations related to the Notes and the structure, timing and other similar matters related to the Notes, we are recommending the issuance of Notes as a suitable option.

Method of Sale/Placement:

We are recommending the Notes be issued as municipal securities and offered through a competitive underwriting process. You will solicit competitive bids, which we will compile on your behalf, for the purchase of the Notes from underwriters and banks.

An allowance for discount bidding will be incorporated in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.

If the Notes are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.

Premium Pricing:

In some cases, investors in municipal bonds prefer "premium" pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered "reoffering premium." For this issue of Notes, any premium amount received that is in excess of the underwriting discount and any capitalized interest amounts must be placed in the debt service fund and used to pay a portion of the interest payments due on the Notes. We anticipate using any premium amounts received to reduce the issue size.

The amount of premium allowed can be restricted in the bid specifications. Restrictions on premium may result in fewer bids, but may also eliminate large adjustments on the day of sale and unintended results with respect to debt service payment impacts. Ehlers will identify appropriate premium restrictions for the Notes intended to achieve the Village's objectives for this financing.

Other Considerations:

The Notes will be offered with the option of the successful bidder utilizing a term bond structure. By offering underwriters the option to “term up” some of the maturities at the time of the sale, it gives them more flexibility in finding a market for your Notes. This makes your issue more marketable, which can result in lower borrowing costs. In the event that the successful bidder utilizes a term bond structure, we recommend the Village retain a paying agent to handle responsibility for processing mandatory redemption/call notices associated with term bonds.

Review of Existing Debt:

We have reviewed all outstanding indebtedness for the Village and find that there are no refunding opportunities at this time.

We will continue to monitor the market and the call dates for the Village’s outstanding debt and will alert you to any future refunding opportunities.

Continuing Disclosure:

Because the Village has more than \$10,000,000 in outstanding debt subject to a continuing disclosure undertaking (including this issue) and this issue does not meet an available exemption from continuing disclosure, the Village will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the “MSRB”), as required by rules of the Securities and Exchange Commission (SEC). The Village is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.

Arbitrage Monitoring:

The Village must ensure compliance with certain sections of the Internal Revenue Code and Treasury Regulations (“Arbitrage Rules”) throughout the life of the issue to maintain the tax-exempt status of the Notes. These Arbitrage Rules apply to amounts held in construction, escrow, reserve, debt service account(s), etc., along with related investment income on each fund/account.

IRS audits will verify compliance with rebate, yield restriction and records retention requirements within the Arbitrage Rules. The Village’s specific arbitrage responsibilities will be detailed in the Tax Exemption Certificate (the “Tax Compliance Document”) prepared by your Bond Attorney and provided at closing.

The Notes may qualify for one or more exception(s) to the Arbitrage Rules by meeting 1) small issuer exception, 2) spend down requirements, 3) bona fide debt service fund limits, 4) reasonable reserve requirements, 5) expenditure within an available period limitations, 6) investments yield restrictions, 7) de minimis rules, or; 8) borrower limited requirements.

An Ehlers arbitrage expert will contact the Village within 30 days after the sale date to review the Village’s specific responsibilities for the Notes. The Village is currently receiving arbitrage services from Ehlers in relation to the Notes.

Investment of Note Proceeds:

Ehlers can assist the Village in developing a strategy to invest your Note proceeds until the funds are needed to pay project costs.

Risk Factors:

G.O. with Planned Abatement: The Village is abating a portion of G.O. debt service payments for the Notes with Tax Incremental District No. 4 revenues, water utility revenues, and sewer utility revenues. In the event these revenues are not available, the Village is obligated to levy property taxes in an amount sufficient to make all debt payments.

Other Service Providers:

This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.

Notes:
¹ Revenues for 2022 and prior years per Village audited financial statements.
² Expenditures for 2022 and prior years per Village audited financial statements.
³ Assumes 1.0% economic appreciation on all property within the District.
⁴ Projected special assessment collections shown in 2025 through 2044 represent \$1,000,000 of the project being paid from user rates.
⁵ Projected transfers from the water utility 2025 through 2044 represent \$300,000 of the water extension project being paid from user rates.
⁶ Asshy will pay \$1,000,000 into an interest-bearing escrow with interest accruing to the Village for the purpose of paying for the Golf Road reconstruction. Assumes 2.5% interest earnings through July 1, 2024.
⁷ 2024 capital projects include the following: (i) \$2,460,302 for sewer improvements, (ii) \$883,242 for the construction of a water tower (funded with \$1,675,621 of ARPA and \$1,300,000 of bond proceeds), 2034 capital project is for the reconstruction of Golf Road.
⁸ Includes \$30,350 of connection fee/permit reimbursements expected to be made with the first incentive payment in 2025.
⁹ Assumes connection fee/permit reimbursements in the amount of \$135,000 are made as an increment to be made with the first incentive payment in 2025.
¹⁰ Assumes 2023 incentive payment made in 2024 and includes \$148,000 for phase 1 connection fee/permit reimbursement. The remaining phase 1 connection fee/permit reimbursement of \$95,000 along with the phase 2 reimbursement of \$500,000 are expected to be made with the 2024 incentive payment. Assumes the Phase 2 reimbursement of \$500,000 occurs in 2024.
¹¹ The development receives an incentive of 85% of the generated tax increment.

--- END OF EXPENDITURE PERIOD
 - - - - - END OF TD LIFE

5 YEAR TREND IN MUNICIPAL BOND INDICES

Weekly Rates October, 2019 - October, 2024

The Bond Buyer "20 Bond Index" (BBI) shows average yields on a group of municipal bonds that mature in 20 years and have an average rating equivalent to Moody's Aa2 and S&P's AA.
