2025 LEVY LIMIT

Levy limits imposed by Wisconsin State Statute restrict the annual levy growth by net new construction. Under the levy limit constraints, the tax levy cannot exceed the percentage increase in the Village's net new construction percentage (with a few exceptions). Although the 12-month average of the Consumer Price Index increased by 4.2%, the levy limit formula does not allow for an increase in operating levy dollars to support the rate of inflation. The net new construction rate for the Village of Caledonia decreased from 2.06% in 2023 to 1.55%, in 2024.

CALEDONIA POLICE DEPARTMENT

The Village of Caledonia Police Department provides law enforcement service to our community 24 hours a day and 7 days a week. Our fundamental philosophy is to provide the very best service to our community through a data-driven and community-oriented approach.

Our agency size compared to our call volume, population, and large geographic area has been a constraint on our ability to provide the quality services that our Village deserves and expects. In 2023, our citizens voted to approve funding to increase our police force by (8) additional officers in 2024. We spent considerable time in 2024 attempting to identify, recruit and hire additional officers, but this remains a challenge. In 2025, we will continue our efforts to hire to reach our allotted (44) sworn personnel.

The following makes up our sworn staffing:

Employee Count	Title	FTE	
1	Police Chief	1.0	
1	Deputy Police Chief	1.0	
3	Lieutenant	3.0	
5	Sergeant	5.0	
3	Detectives	3.0	
1	Task Force Officer	1.0	Assigned to a Federal Bureau of Investigation Task Force targeting gangs and violent crime in the greater Racine area
1	K9 Handler	1.0	With K9 Partner
29	Officers	29	
44	Totals	44	Sworn Personnel

Additional staff resources will enable the Caledonia Police Department to augment its shift staffing to better meet the demands of our call volume, commit the necessary resources to consistently perform more thorough investigations, and adequately patrol the Village while balancing proactive and reactive duties and having a greater presence in our community.

For more information regarding your Caledonia Police Department, we encourage you to follow us on Facebook at Village of Caledonia Police Department and/or review our annual reports online at <https://caledonia-wi.gov/police>.

BUILDING DEPARTMENT

The Village of Caledonia Building Department serves to protect the safety of the community and its residents. Primary responsibilities include issuing building permits and performing inspections for construction projects which include new home construction, commercial buildings, interior remodeling, basement recreation rooms, additions, pools, decks, roofs, foundation repairs, sheds, barns, and detached garages.

The Building Department is staffed by the following:

Employee Count	Title	FTE	
1	Senior Building Inspector	1.0	Serves residential building, electrical, and plumbing
1	Building Inspector	1.0	Serves residential building.
1	Electrical Inspector	0.05	Serves Commercial properties
1	Plumbing Inspector	0.05	Serves Commercial properties
1	Administrative Assistant	0.50	
5	Totals	2.85	

In general, most Building Department functions require extensive office plan review before the release of a Building Permit. Commercial Plan Review is still with the State DSPS and inspections are coordinated with the state inspector and our part-time commercial plumbing/electrical inspectors. On-site inspections are performed daily for building, electrical and plumbing projects that are permitted by the Building Department. Inspections may require meeting with owners, expeditors, contractors, and developers to discuss options and solutions to problems and code violations that arise during the construction process. These steps are taken through this process to ensure solid construction and to meet code compliance.

The Village of Caledonia's community and its residents may have questions, concerns, complaints and/or disputes in regard to the community. This may involve past/present construction projects, foreclosed properties, and neighboring residents/tenants regarding their living conditions. The inspectors track, investigate, and resolve these situations in a timely matter.

Several Wisconsin State mandated programs are administered through the Building Department. Wisconsin DNR Well Registration, which ensures continued drinking water quality and Site Erosion Control Enforcement for continued storm water runoff quality are enforced on a local level by the Building Department in coordination with the Engineering Department. Builder and contractor credentials are verified by the Building Department for every permit issued. This ensures that builders and contractors hired by Village residents are qualified and properly insured through the State. The Capital Outlay for the next 5 years includes replacing the two building inspection work vehicles.

PUBLIC WORKS DEPARTMENT

The duties of the Public Works Department (formerly the Highway Department) are to maintain the approximately 157 miles of Village Road Right-of-Way. Road maintenance like crack sealing, patching and gravel shoulder maintenance is done through this department. The DPW also stripes the pavement marking lines, maintains all road signs, guard rails, and roadside ditches in the Village. Winter duties include snowplowing, salting, and tree cutting throughout the Village to keep the roads clear and safe for its residents and first responders. Newer de-icing techniques have started in 2024 and include the application of a brine mixture onto our salt as it is applied to the roads. This has improved the efficacy of the salt application and de-icing operations combined with equipment modifications and calibration. An average winter utilizes over 3,000 tons of salt but the last two years have been much less impactful.

The Highway Department is staffed by the following:

Employee Count	Title	FTE	
1	Public Works Superintendent	1.0	
1	Public Works Foreman	1.0	
14	Public Works Operator	14.0	
2	Part-time Operators	0.1	
1	Seasonal Yard Attendant	0.3	Personnel costs budgeted in the Recycling Special Revenue Fund
19	Totals	16.4	

The Highway Department works with several other Village departments including the Engineering Department on ditch and drainage projects, culvert replacements, mowing of road ditches, mowing of the Utility District drainage easements, and tree trimming. The Public Works Department also assists the Parks Department with maintenance and provides heavy work and equipment when needed. The DPW also manages and maintains the compost site behind the Public Works Garage at 6922 Nicholson Road. The compost site is open three days a week, March through November. The yard waste is mulched and provided free of charge to residents.

The 2025 Capital Outlay for the Public Works Department includes the replacement of a Mack Snow Plow Truck, replacement of a tractor mower, building signage on the Public Works Garage, drop ceiling installation in the break room, and provide funding for the 2025 paving program.

CALEDONIA PARKS DEPARTMENT

The Caledonia Parks Department is responsible for the maintenance and upkeep of park facilities for the residents of the Village. The Parks Recreational programs and services provide improved quality of life, diverse programs, and safe environments for all. This is accomplished through the hard work and dedication of the parks' employees and volunteers. The Parks Department completed the Crawford Park Master Plan in 2022, which established the long-term goals of the park with future amenities like a sledding hill, 4-seasons facility, pickle ball courts, and more. The master plan has seen 2 phases completed in 2024 which include mass grading, storm water facility installation and the development of more pedestrian trails. The Parks Department hopes to continue expanding Crawford Park to meet the goals of the Master Plan in the coming years.

The Parks Department consists of:

Employee Count	Title	FTE	
1	Parks Administrator	1.0	
2	Part-time Parks Seasonal Staff	0.8	
3	Part-time Sports Staff	0.08	Sports umpires are paid on a per game basis
6	Totals	1.88	

The Parks Department was transferred from a Special Revenue Fund (which received a small portion of the tax levy) to the General Fund in Fiscal Year 2023. The 2025 budget has revenues from parks and recreational rentals while expenses are typically for personnel and grounds services beyond staff capabilities. There is now more land and park space to maintain with the completion of the Public Safety Building as well as prices increasing in the contracted mowing services. The Crawford Park Phase II project will be completed by then end of 2024 and will add another 18+ acres to Crawford Park for trails, open space, and sledding hill (winter) activities. The 2025 Capital Plan for the Parks Department consists of bidding out the next phase in the development of Crawford Park which would include pickleball courts, additional parking at the center of the newly expanded park, and the extension of a park road as proposed on the Master Plan.

DEBT SERVICE

The Debt Service Fund encompasses the revenues and expenditures required for the 2025 principal and interest payments of General Obligation Bonds issued by the Village of Caledonia. The property taxes levied for debt service are not subject to the Village's levy limit.

The large increase in the principal payments for 2024 are directly related to the 2022 borrowing for the new Village of Caledonia Public Safety Building, as well as additional borrowing late in 2024. Construction was completed early in 2024 with occupancy taken by both the Police and Fire Department as of April 2024.

The 2025 budget includes a \$1,000,000 levy transfer to Capital Projects, which is specified in the TID #4 financing plan.
