

**RESOLUTION NO. 2025-008
VILLAGE OF CALEDONIA**

**A RESOLUTION APPROVING A SOLE SOURCE PURCHASE REQUEST FOR A
2025 VACTOR 2100i COMBINATION SEWER CLEANER TRUCK**

The Village Board for the Village of Caledonia, Racine County, WI do resolve as follows:

WHEREAS, the Village of Caledonia Utility District currently owns a 2014 Vactor 2100i Combination Sewer Cleaner Truck (Vactor Truck).

WHEREAS, the Village of Caledonia Utility District has experienced several electrical issues with the Mack Truck Chassis of the Vactor Truck.

WHEREAS, the Village of Caledonia Utility District staff has nursed the Vactor Truck, but this is not a permanent solution. The frequent runs to have the Vactor Truck repaired have begun to affect the Sanitary Sewer Cleaning Schedule required by the Department of Natural Resources.

WHEREAS, the Village of Caledonia Utility District budgeted in 2025, \$600,000 between the Sanitary Sewer Utility & Storm Water Utility to replace the Vactor Truck.

WHEREAS, the Village of Caledonia Utility District staff has reviewed options for the replacement of the Vactor Truck and have recommended that a 2025 Vactor 2100i Combination Sewer Cleaner Truck be purchased.

WHEREAS, the Village of Caledonia Utility District staff has prepared a letter of recommendation for the Sole Source Equipment Purchase to replace the Vactor Truck with a 2025 Vactor 2100i Combination Sewer Cleaner Truck. See attached **Exhibit A**.

WHEREAS, the Committee of the Whole recommended approval of the Sole Source Purchase of a 2025 Vactor 2100i Combination Sewer Cleaner Truck and forwarded to the Village Board for final approval at their January 14, 2025 meeting.

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Caledonia, that the requested Sole Source Purchase Request set forth above, is hereby approved for the same reasons as set forth above and as described in **Exhibit A**.

Adopted by the Village Board of the Village of Caledonia, Racine County, Wisconsin, this 28 day of January 2025.

Caledonia, WI 53402

RE: 2025 Vactor 2100i Combination Sewer Cleaner Truck – Sole Source Equipment/Specific Brands

Dear Committee of the Whole

The Caledonia Utility District is requesting to use the Sole Source Products/Specific Brands Exception in Ordinance 2-4-25(d)(3)(c)(ii) for the purchase of a 2025 Vactor 2100i Combination Sewer Cleaner Truck. The Caledonia Utility District is requesting the sole source exception because there is one proven source for the needed item. MacQueen is the local distributor of Vactor in Wisconsin.

The Vactor Combination Sewer Cleaner is being requested as a specific brands exemption because the Caledonia Utility District currently has a Vactor Combination Sewer Cleaner and the Vactor portion of the current truck has been very reliable and dependable. The operators are familiar with maintaining and operating the Vactor Sewer Combination Cleaner and MacQueen is very responsive to any type of repair or replacement parts that have been needed.

The cost for a 2025 Vactor 2100i Combination Sewer Cleaner Truck is \$591,709.00. The lead time for the truck is approximately 7 to 8 months from approval.

Consider moving to approve the exemption for the purchase of a 2025 Vactor 2100i Combination Sewer Cleaner Truck for the Caledonia Utility District.

Background Information

The Caledonia Utility District currently owns a 2014 Vactor 2100i Combination Sewer Cleaner Truck which has served the Utility very well. The Mack Truck chassis has begun to have issues with some of the electrical components. Utility personnel have nursed the Vactor Truck for the 2024 calendar year with the anticipation of replacing the current Vactor in 2027. Unfortunately, the frequent runs to MacQueen and/or RD's for the Mack Truck chassis have affected the required/desired sewer cleaning schedule. The sewer cleaning schedule has been affected to the point where the staff does not feel confident that the Utility District can wait to replace the Vactor Truck and complete the required cleaning.

Sincerely,

A handwritten signature in black ink that reads "Anthony Bunkelman".

MACQUEEN EQUIPMENT SERVICES:

- ✓ Full service-center located in Menomonee Falls, WI with over \$1,000,000 in parts stocked.
 - 70+ years of experience servicing sewer equipment in Wisconsin.
 - 29 years of experience servicing Vector, specifically.
- ✓ 7 factory qualified service technicians including over-the-road service.
- ✓ One of our Product Training Specialists, Travis Fritz or Tim Schell, will fully train operators upon delivery.
 - They can also be scheduled to come back in events such as new hires, turnover, or if operators simply want to refresh knowledge. Fees for non-delivery training sessions should be discussed with Travis and Tim.
 - They are available by phone for questions at any time:
 - Travis' mobile: (920) 263-7272
 - Tim's mobile: (262) 893-3611
- ✓ Free mechanic and operator training is offered at the factory as well. Dates will be provided by us when requested.
- ✓ Vector Training Academy App included: QR codes are now located on the truck so operators and mechanics can have training videos available to them via smartphone or tablet in the field.
 - Training videos include topics such as operator controls, maintenance, dumping, winterization and more.

LIMITED WARRANTY

Limited Warranty. Each machine manufactured by VACTOR MANUFACTURING (or, "the Company") is warranted against defects in material and workmanship for a period of 12 months, provided the machine is used in a normal and reasonable manner and in accordance with all operating, maintenance and safety instructions. In addition, certain machines and components of certain machines have extended warranties as set forth below. If sold to an end user, the applicable warranty period commences from the date of delivery to the end user. If used for rental purposes, the applicable warranty period commences from the date the machine is first made available for rental by the Company or its representative. This limited warranty may be enforced by any subsequent transferee during the warranty period. This limited warranty is the sole and exclusive warranty given by the Company.

STANDARD EXTENDED WARRANTIES (Total Warranty Duration)

| | |
|---|--|
| 2100 Series, IMPACT and Ramjet | 10 years against metal water tank leakage due to corrosion. Nonmetallic water tanks are covered for 5 years against any factory defect in material or workmanship. |
| 2100 Series, IMPACT and Guzzler only | 5 years against leakage of debris tank, centrifugal compressor or fan housing due to rust-through. |
| 2100 Series, IMPACT and Ramjet | 2 years - Vactor Rodder Pump |
| ALL Models starting with 21-09X-XXXXX and beyond | 2 year- Electrical & Electronics (excludes Chassis components) |

Exclusive Remedy. Should any warranted product fail during the warranty period, the Company will cause to be repaired or replaced, as the Company may elect, any part or parts of such machine that the Company's examination discloses to be defective in material or factory workmanship. Repairs or replacements are to be made at the selling Company's authorized dealer's or distributor's location or at other locations approved by the Company. In lieu of repair or replacement, the Company may elect, at its sole discretion, to refund the purchase price of any product deemed defective. The foregoing remedies shall be the sole and exclusive remedies of any party making a valid warranty claim.

This Limited Warranty shall not apply to (and the Company shall not be responsible for):

1. Major components or trade accessories that have a separate warranty from their original manufacturer, such as, but not limited to, trucks and truck chassis, engines, hydraulic pumps and motors, tires and batteries.
2. Normal adjustments and maintenance services.
3. Normal wear parts such as, but not limited to, oils, fluids, vacuum hose, light bulbs, fuses and gaskets.
4. Failures resulting from the machine being operated in a manner or for a purpose not recommended, nor intended, or not in accordance with operating, maintenance or safety instructions provided by the Company.
5. Repairs, modifications or alterations without the express written consent of the Company, which in the Company's sole judgment, have adversely affected the machine's stability, operation or reliability as originally designed and manufactured.
6. Items subject to misuse, negligence, accident or improper maintenance.

NOTE The use in the product of any part other than parts approved by the Company may invalidate this warranty. The Company reserves the right to determine, in its sole discretion, if the use of non-approved parts operates to invalidate the warranty. Nothing contained in this warranty shall make the Company liable for loss, injury, or damage of any kind to any person or entity resulting from any defect or failure in the machine.

THIS WARRANTY SHALL BE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AND TO THE EXTENT PERMITTED, CONFERRED BY STATUTE, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, OR A WARRANTY AGAINST FAILURE OF ITS ESSENTIAL PURPOSE, ALL OF WHICH ARE DISCLAIMED.

This warranty is in lieu of all other obligations or liabilities, contractual and otherwise, on the part of the Company. For the avoidance of doubt, the Company shall not be liable for any indirect, special, incidental or consequential damages, including, but not limited to, loss of use or lost profits. The Company makes no representation that the machine has the capacity to perform any functions other than as contained in the Company's written literature, catalogs or specifications accompanying delivery of the machine. No person or affiliated company representative is authorized to alter the terms of this warranty, to give any other warranties or to assume any other liability on behalf of the Company in connection with the sale, servicing or repair of any machine manufactured by the Company. Any legal action based hereon must be commenced within eighteen (18) months of the event or facts giving rise to such action.

The Company reserves the right to make design changes or improvements in its products without imposing any obligation upon itself to change or improve previously manufactured products.
