

## **Crawford Park Pickleball Courts and Access Road Opening October 21st**

For all of those that have been waiting patiently, the Pickleball Courts will officially be open on October 21st at Crawford Park. The project has some minor finishing touches needing to be completed as we head into Winter and we would like some of those done before opening up the road. There will be a Parking Lot with access directly to the 8 Pickleball Courts, Tennis Courts, full court Basketball, Trails and a Sledding Hill. The Backboards for the hoops are on back-order and should be installed in the coming weeks. Access will be from 4 Mile Road and Chester Lane.

No reservations of courts are allowed at this time. Public play for all is based on a first come, first serve basis. Spring 2026 will have more information on reservations and Park Use Agreements for League Play and more. Please contact Ryan Schmidt at 262-835-6475 or [rschmidt@caledonia-wi.gov](mailto:rschmidt@caledonia-wi.gov) if you have further questions.
