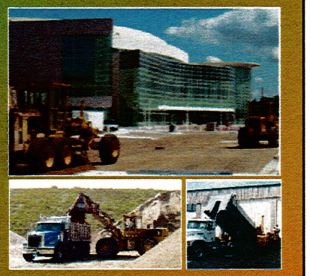
Who is Payne & Dolan

Payne & Dolan is a 3rd generation, family owned company that has served the needs of their customers for over 85 years. We provide professional construction and engineering services in addition to producing quality construction materials.

Customers rely on us to deliver cost effective expert solutions to their construction needs. While we are often associated with state, municipal and federal projects, many of our customers are local businesses in need of changing or improving their current infrastructure.



Our Core Values

- Maximize our value as a contractor by working smart & safe.
- Develop and follow quality performance standards.
- Seek innovative solutions.
- Treat everyone with respect.
- Support ideas that strengthen the communities we serve.
