

**Plan Commission and Caledonia Staff  
c/o Jarmen Czuta**

Ladies & Gentlemen:

Attached please find an updated civil engineering plan (dated April 3, 2019), showing the proposed landscaping buffer along the norther property lines.

The vegetation in orange are mostly trees, planted by neighbors.

The vegetation in green are the trees to be planted by the Parkview's designer/installer (Rob Bottensek from LawnScapes -- Rob is copier hereon).

In our last Plan Commission meeting, I was asked if there were going to be landscaping berms. Please note that the markings in blue on the attached drawing are landscaping berms.

Good night,

***Alf***
