

VILLAGE OF CALEDONIA'S MULCH PROGRAM

FREE "LOAD YOUR OWN" or DELIVERED

What is Natural Mulch?

The Village of Caledonia's 'Natural Mulch' is an ideal mulching product that is manufactured from 100% local recycled materials. Using mulch in your garden saves water and completes the local green waste recycling loop.

What are the Benefits?

- Conserves moisture in the soil
- Moderates soil temperature
- Blocks weed growth
- Reduces erosion
- Improves soil structure and fertility over time

How do I get it?

Mulch is available at **the Yard Waste Site:**

6900 Nicholson Road (west of the Safety Building)

Wednesday: 1:30pm-7:00pm

Saturday: 10:00am-4:00pm

Sunday: 11:00am-5:00pm

- Small amounts can be obtained only when you pick up and "load your own". Large amounts also available for pick up. *Delivery available for only 6+ yards.
- Large amounts (6 yards+ in a dump truck) can be delivered for FREE.

How can I help?

Bring unwanted yard waste to facility.

The material is ground and screened and made into mulch.

Mulch is a great ground covering that reduces weed growth and retains water in soil.
