Until further notice, please do not process any online payments.

We've been made aware that the Racine County Ascent system (where online property tax payments are processed through) is currently experiencing technical difficulties. If you are submitting a payment, please do NOT click submit more than once, as multiple submissions may result in duplicate charges.

Thank you for your patience while the issue is being resolved. We'll share an update as soon as everything is back up and running.

If you have any concerns, please feel free to contact us.

Best Regards,

Brittany Kickland
