

November 6, 2020

Attention Village Residents:

At this time walk in services for the Village's Public Works Department services are limited. We ask that you contact us by email or phone as we are unable to meet in person. Below is a Contact List for Public Works and Planning Departments and who to contact for specific issues:

Engineering Dept:

Tom Lazcano	TLazcano@caledonia-wi.gov	262-835-6475
Erika Waege	EWaege@caledonia-wi.gov	262-835-6435

Land Disturbance Permits, Road Opening Permits, New Home or Home Addition Engineering Permits, Culvert Replacements, Utility Permits, Oversize Overweight Permits, Fence Permits, Driveway Permits, Drainage Issues (fill out drainage complaint form first), Blasting Issues (see website first), Retention Projects, Ponds, Stormwater issues, Oversize garage requests, Certified Survey Maps (CSMs) or other Engineering related items.

Building Dept:

Jim Keeker	JKeeker@caledonia-wi.gov	262-835-6406
Scott Seymour	SSeymour@caledonia-wi.gov	262-835-6420
Erika Waege	EWaege@caledonia-wi.gov	262-835-6435

Electrical Permits, Plumbing Permits, Building Permits, Razing Permits, Well Registrations, Commercial Building Permits or general building questions.

Planning Dept:

Peter Wagner	PWagner@caledonia-wi.gov	262-835-6446
--------------	------------------------------------------------------------------------	--------------

Zoning Permits, Development Questions, Land use questions, Conditional Use Permits or other Development related items.

Picking up and signing for permits will need to be coordinated ahead of time to ensure your permit is ready.

Thank you for your understanding

Tom Lazcano
Public Works Director
