13. **Landscaping.** Landscaping at the site must be in compliance with the previously approved Landscaping Plan received by the Racine County Development Services Office on September 17, 2015.
14. **Lighting.** To the extent of any outside lighting is installed, all lighting at the site must be installed and maintained in compliance with the previously approved Lighting Plan. All lighting at the site must be full cut-off lights that may not glare onto abutting properties or onto any public roadway. In addition, the property owner or operator must, within 30 days of the date of this approval, provide the Village with documentation from a qualified lighting expert or contractor certifying that all current lighting complies with the previously approved Lighting Plan.

17. **Property Maintenance Required.** A complete and thorough maintenance program must be established to insure attractiveness. The continued positive appearance of buildings and property is dependent upon proper maintenance attitudes and procedures. Maintenance programs must be established that include watering, maintaining and pruning all landscape planting areas including removal and replacement of dead or diseased landscaping; cleaning up litter; sweeping, cleaning and repairing paved surfaces; and cleaning, painting, and repairing windows and building façade. All drives shall be paved with asphalt. Parking areas shall be paved or have placed upon them compacted recycled asphalt. All drives and parking areas shall be maintained in a dust free condition.
18. **Expiration.** This approval will expire six (6) months from the date of the Village's final approval unless substantial work has commenced following such grant. Written extension requests must be submitted to the Village Planning & Zoning Department thirty (30) days before permit/approval expiration.

22. **Amendments to Conditional Use Approval.** No additions, deletions, or changes may be made to the project, site plan, or these conditions without the Village of Caledonia's prior approval. All addition, deletion, and/or change requests must be submitted to the Village of Caledonia in writing. A minor change to the conditions

- of this permit, as deemed by the Zoning Administrator, may be made at a staff level, if authorized by the Zoning Administrator.
23. **Previous Conditional Use Requirements.** All applicable conditions from the previous conditional use approvals for Hribar Holdings LLC and subsequent amendments outlined in Resolutions Nos. 2014-29, 2015-82, 2017-20 and 2017-80 shall remain in effect, unless otherwise amended herein.
 24. **Duration of Conditional Use.** This conditional use approval is intended to be temporary and will expire **June 27, 2022**. Nothing herein prevents the Village Board from denying an extension of the temporary use beyond the term of eighteen months based on changes in on-site or off-site conditions, including changes in use on-site and changes in the development of the surrounding parcels that would make a continuation of this temporary conditional use incompatible with the new development surrounding it.
 25. **Agreement.** Your accepting the conditional use approval/zoning permit and beginning the project means that you have read, understand, and agree to follow all conditions of this approval. Therefore, Hribar Holdings LLC, IAA Inc. and their heirs, successors, and assigns, including tenants, are responsible for full compliance with the above conditions.
 26. **Subsequent Owners.** It is the property owner's responsibility to inform any subsequent owner or operator of these conditions.
 27. **Road Reservation Areas.** Nothing herein shall prohibit the Village from exercising its rights under the Road Reservation and Easement Agreement, recorded as Document No. 2431997, at the Racine County Register of Deeds (the "Road Reservation"). The Village may exercise its rights under the Road Reservation during the term of this temporary conditional use permit and the property owner and permit owner shall remove any uses under this conditional use permit from the Road Reservation area immediately to allow the dedication of the Road Reservation area. In addition, if the property owner or permit holder seeks to extend this temporary conditional use beyond the term set forth under Condition No. 24, the Village, in its sole discretion, may determine this extension to be land development and require that one and/or both of the areas reserved under the Road Reservation permit should be dedicated for public right-of-way and constructed to Village standards based on site conditions on or off this property, impacts from this conditional use, and/or vehicular traffic caused by this conditional use.

28. **No Vehicle Parts Allowed to Be Sold.** No salvage yard activity such as selling parts of vehicles, associated with the Copart operation, from the site is allowed. All vehicles that are stored at the site must be sold in their entirety as a whole unit not sold in portions or parts.
