## INSURANCE AND LIABILITY REQUIREMENTS

LIABILITY AND INSURANCE – The Contractor shall provide and maintain from insurance companies acceptable to the Village of Caledonia, insurance to protect the Contractor, employees of the Contractor, Subcontractors of the Contractor, members of the public, Village of Caledonia and Engineer, and their authorized Officials, employees and agents, against all hazards and risks of loss. The Contractor shall also include the Village of Caledonia and Engineer as additional insureds in liability policies required by the Contract Documents with the exception of Worker’s Compensation. The Contractor shall not commence work under a Contract until he has obtained all insurance required hereunder and has filed certification thereof with the Owner, nor shall the Contractor allow a Subcontractor to commence work until all similar insurance required has been so obtained and filed with the Contractor. The insurance certification shall be in a form that is satisfactory to Owner and shall be signed and dated by an authorized representative of the insurance carrier(s).

- (A) Worker’s Compensation Insurance – The Contractor shall maintain during the life of this Contract the statutory coverage as required by Chapter 102 of the Statutes of the State of Wisconsin, as revised, and all acts amendatory thereof and supplementary thereto, for all employees of the Contractor, and Employer’s Liability Insurance in an amount not less than \$100,000 each accident, \$500,000 Disease Policy Limit and \$100,000 Disease Each Employee. All Subcontractors and suppliers of material shall furnish to the Contractor evidence of similar insurance for all of their respective employees unless such employees are covered by the protection afforded by the Contractor.
- (B) Comprehensive General Liability and Property Damage Insurance – The Contractor shall maintain during the life of this Contract Comprehensive General Liability and Property Damage insurance coverage to protect the Contractor, employees of the Contractor, Subcontractors of the Contractor, members of the public, Village of Caledonia and Engineer, and their authorized Officials, employees and agents, against all claims arising from injuries to members of the public or damage to the property of others arising out of any act or omission of the Contractor or his agents, employees or Subcontractors. In addition, this coverage shall insure the contractual liability assumed by the Contractor under the Contract Documents. The scope of this coverage shall include commercial general liability, premises and operations, independent contractors, products liability and completed operations (which shall be maintained for a minimum period of 2 years after final payment), broad form property damage, contractual liability coverage, explosion and collapse hazard and underground hazard, all subject to the following limits:
- Bodily Injury and Property Damage: \$1,000,000 per occurrence and a \$2,000,000 per project General Aggregate
- (C) Comprehensive Automotive Liability and Property Damage Insurance - The Contractor shall maintain during the life of this Contract Comprehensive Automotive Liability and Property Damage insurance coverage to protect the Contractor, employees of the Contractor, Subcontractors of the Contractor,

members of the public, Village of Caledonia and Engineer, and their authorized Officials, employees and agents, against all claims for injuries, including uninsured and underinsured motorists coverage, and accidental death to members of the public and damage to property of others arising from the use of motor vehicles, used on or off the construction site, whether they are owned, hired, or non-owned vehicles, all subject to the following limits:

Bodily Injury and Property Damage: \$1,000,000 per occurrence.

- (D) Umbrella - The Contractor shall maintain during the life of this Contract Comprehensive Umbrella Liability covering all referenced liability policies in this contract in an amount no less than \$2,000,000.
- (E) Builder's Risk – The Contractor shall maintain during the life of this Contract Builder's Risk insurance coverage. This insurance shall protect the Contractor and the Village of Caledonia from all insurable risks of physical loss or damage to buildings, structures, and materials and equipment, not otherwise covered under Installation Floater insurance. It shall be of the “all risk” type, with coverages designed for the circumstances which may occur in the particular work included in the Contract. The amount of such insurance shall not be less than the insurable value of the work at completion, including the aggregate value of the buildings, structures, materials and equipment to be erected or installed by the Contractor, less the value of the materials and equipment insured under the Installation Floater insurance. If the work does not include the construction of buildings or structures, the Builder's Risk insurance may be omitted providing the Installation Floater insurance fully covers the work. In the event the property to be installed requires any off premises storage in a warehouse or storage area, the policy shall be extended to provide coverage including transit between such location and the place of installation. Builder's Risk insurance shall provide for losses to be payable to the Contractor and the Village of Caledonia as their interests may appear.
- (F) Installation Floater – The Contractor shall maintain during the life of this Contract Installation Floater insurance coverage. This insurance shall protect the Contractor and the Village of Caledonia from all insurable risks of physical loss or damage to materials and equipment, not otherwise covered under Builder's Risk insurance, while in warehouses, storage areas, during construction, testing and after the work is completed. It shall be of the “all risk” type, with coverages designed for the circumstances which may occur in the particular work included in the Contract. The amount of such insurance shall not be less than the insurable value of the work at completion, including the aggregate value of the materials and equipment to be erected or installed by the Contractor, less the value of the materials and equipment insured under the Builder's Risk insurance. In the event the materials or equipment to be installed requires any off premises storage in a warehouse or storage area, the policy shall be extended to provide coverage including transit between such location and the place of installation. Installation Floater insurance shall provide for losses to be payable to the Contractor and the Village of Caledonia as their interests may appear.

The Contractor shall file with the Village of Caledonia a certification of insurance containing an endorsement to the effect that cancellation or material change of such

policies shall not be effective unless thirty (30) days written notice is given to the Village of Caledonia prior to such cancellation or material change.

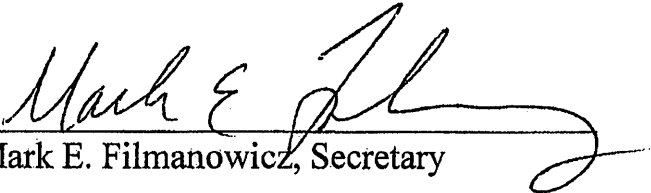

NOTES: The required limits of liabilities may be obtained with primary liability policies or in combination with an umbrella excess liability policy. Limitations of insurance shall be those specified above, or in the declarations for said policies, whichever is greater. The insurance of the Contractor and all Subcontractors shall be primary and non contributory. Any insurance maintained by the additional insureds named above shall be excess and non contributory to the insurance of the Contractor and all Subcontractors.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

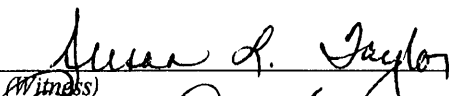

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

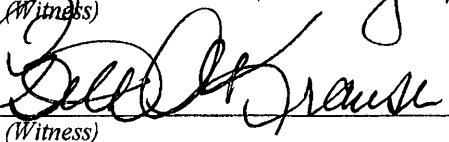

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
