The location of the Stormwater Drainage Easement Area with respect to the Property is as shown and described in Exhibit B.

C. The Grantees have requested that the Owner grant a permanent access easement (referred to in this Agreement as the "Ingress/Egress Easement") over the Owner's Property, that will grant to the Grantees, and their employees, officials, commissioners, contractors, consultants, and agents, pedestrian and/or vehicular ingress and egress over the Owner's Property to and from and the Stormwater Drainage Easement Area.

D. The Stormwater Drainage Easement Area is also referred to in this Agreement as the "Utility Easement Area".

E. As used in this Agreement, the term "Drainage Facilities" shall mean the Stormwater Drainage Easement Area, the Ingress/Egress Easement, pipelines, storm sewers and any other structures or improvements that are constructed or installed upon the Utility Easement Area from time to time by the Grantees, or its contractors, successors and assigns, for the conveyance of storm water under and through the Property.

AGREEMENT

For Seven Thousand Four Hundred Dollars (\$7,400.00) and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by the Owner, the parties agree as follows:

1. Grant of Easement. The Owner hereby grants to the Grantees, and to the Grantees' employees, officials, commissioners, contractors, consultants, agents, successors, and assigns, (i) the right to construct, install, inspect, maintain, repair, and/or replace the Drainage

Facilities in the Stormwater Drainage Easement Area, and (ii) the Ingress/Egress Easement over and through the Owner's Property, for the purposes of (i) performing its easement rights granted to the Grantees under this Agreement, and/or (ii) inspecting, monitoring, and/or testing the Drainage Facilities and/or the Utility Easement Area, and/or (iii) for conveying storm waters through the Utility Easement Area and the Drainage Facilities, under the Owner's Property.

2. Removal of Obstructions. Owner hereby grants to the Grantees, and to Grantees' employees, officials, commissioners, contractors, consultants, and agents the right to:

- (a) Cut down and remove or trim all trees, bushes or other vegetation existing within the Utility Easement Area, and to cut down and remove or trim all trees, bushes and other vegetation located outside of the Utility Easement Area, that interfere with the installation, construction, use, operation, cleaning, maintenance, alteration, repair and/or replacement of the Drainage Facilities within the Utility Easement Area.
- (b) Remove any structures or improvements located within the Utility Easement Area to the extent necessary to carry out the installation, construction, use, operation, cleaning, maintenance, alteration, repair and/or replacement of the Drainage Facilities within the Utility Easement Area.

3. Certain Owner Requirements.

- (a) No fences, structures or improvements shall be erected, and no trees, bushes or other vegetation shall be planted, within the Utility Easement Area; and
- (b) The elevation of the existing ground surface within the Utility Easement Area shall not be altered without the written consent of the Grantees.

4. Restoration of Surface. The Grantees shall reasonably restore the surface of the Property disturbed by the Grantees' (i) installation, construction, use, operation, cleaning, maintenance, alteration, repair and replacement of the Drainage Facilities within the Utility Easement Area. Said restoration shall be to the condition that existed prior to the Grantees' entry on the Property; provided, however that the Grantees shall only be required to (i) restore any disturbed areas of soil with grass seed, and (ii) restore any disturbed paved portion or gravel portion of the Property with similar materials.

5. Non-Use. Non-use or limited use of the rights granted to the Grantees in this Agreement shall not prevent the Grantees from the later use of said rights to the fullest extent authorized in this Agreement.

6. Covenants Run With Land. All of the terms and conditions in this Agreement, including the benefits and burdens, shall run with the land that is the Property and shall be binding upon, inure to the benefit of, and be enforceable by the Owner and the Grantees and their respective successors and assigns.

7. Warranty. The Owner does hereby warrant and covenant that the Owner owns the Property in fee simple and is lawfully seized and possessed of the Property; that the Owner has a good and lawful right to grant the rights granted to the Grantees hereunder; that the Property is free and clear of all liens and encumbrances, except for recorded easements and recorded

covenants, that the persons executing this Agreement on behalf of the Owner are fully authorized to execute this Agreement on behalf of the Owner; and that this Agreement is the binding obligation of the Owner.

8. Term. The term of this Agreement shall continue indefinitely, in full force and effect, unless and until amended and/or terminated with the written approval of the Grantees.

9. Waiver of Right to Second Appraisal. The monies being paid to Owner, as described in the introduction portion of this Agreement, just ahead of numbered Paragraph No. 1, includes the sum of Two Thousand Dollars (\$2,000.00) that is being paid to Owner above and beyond the appraised value of this taking, as described in the written Appraisal Report obtained by the Grantees and submitted to the Owner, for the Owner's review and consideration. In consideration for this additional Two Thousand Dollar (\$2,000.00) payment, the Owner has waived its right to obtain a second appraisal for the value of this taking, as allowed under Section 32.05(2)(b) of the Wisconsin Statutes.

10. Recording. Upon the execution of this Agreement by both Owner and the Grantees, the Grantees shall record this Agreement in the Office of the Racine County Register of Deeds.

11. Statutory Procedures. Pursuant to the provisions of Section 32.05(2a) of the Wisconsin Statutes:

- a) The Letter Report of Title attached hereto as Exhibit A identifies all persons or entities (collectively, the "Recipients") that have an interest of record in the Owner's Property immediately prior to the execution of this Agreement; and
- b) The Owner warrants and represents to the Grantees that the Owner has no notice or knowledge of any additional Recipients subsequent to the search date of the said Letter Report of Title (Exhibit A); and
- c) The Grantees shall serve upon all of the Recipients, by Certified Mail, a copy of this Agreement, along with a letter advising each Recipient of the right, of that Recipient, to appeal the amount of compensation being paid to the Owner by the Grantees under this Agreement; and
- d) The said letter to each Recipient shall further advise the Recipient that they/it may, within Six (6) Months after the date of the recording of this Agreement, appeal from the amount of compensation so paid to Owner, in the manner set forth in Subsections 32.05(9) to (12) and Chapters 808 and 809 of the Wisconsin Statutes, for appeals from an award under Subsection (7) of this Section 32.05 of the Wisconsin Statutes. For the purposes of any such appeal, the amount paid to Owner under this Agreement shall be treated as the award, and the date of the recording of this Agreement shall be treated as the date of taking and the date of evaluation.

12. Indemnification by Village. The Village shall, and hereby does, indemnify and hold harmless Owner from and against all losses, damages, liabilities, demands, causes of action, judgments, and costs and expenses (including actual reasonable attorney fees and costs of litigation) arising, directly or indirectly, out of the use of, activities on, and/or entry onto the easement areas described in this Agreement by the Grantees (and their officials, employees,

consultants, contractors, and/or agents or representatives), except to the extent arising out of the negligent and/or intentional conduct of the Owner, and/or Owner's contractors, consultants, guests, invitees, representatives, or agents.

13. Contingency: Village Board/Utility District Commission Approval. This Agreement is expressly contingent upon the Village Board for the Village of Caledonia, Wisconsin, and the Village of Caledonia Utility District Commission, approving its terms and conditions.

14. Payment of Monies Due Owner. Within Thirty (30) Business Days (Mondays-Fridays) after (i) this Agreement is signed by all of the parties, and (ii) the above-referenced Grantees approve this Agreement, the Grantees shall pay to Owner the monies due Owner under this Agreement.

15. Governing Law. This Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Wisconsin. Venue for any legal action pertaining to and/or arising under this Agreement shall solely and exclusively be Racine County Circuit Court in Racine County, Wisconsin.

16. Entire Agreement. All negotiations, promises, discussions, understandings, and agreements heretofore made or had between the parties are merged in this Agreement, and this Agreement alone fully and completely expresses the final agreements of the parties.

17. Amendments. This Agreement shall not be modified or amended except in a written document signed by the Grantees and the Owner, and then approved by the Village Board of the Village of Caledonia, Wisconsin, and the Village of Caledonia Utility District Commission.

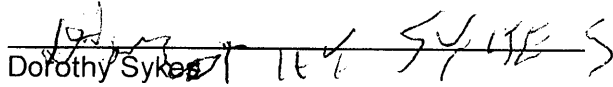

18. Landscape Plan. Attached hereto, as Exhibit C, is a landscape plan (the "Plan"), describing the location and the type of certain plantings to be made on the Owner's Property by the Grantees, at the Grantees' own cost and expense, as a part of the installation of the Drainage Facilities on the Owner's Property (the "Planting Project"). With respect to the attached Plan and Planting Project, the following terms and provisions shall apply, notwithstanding any terms or provisions otherwise contained to the contrary in this Agreement:

- a) The Planting Project shall be performed by a contractor of the Grantees' choosing, but such contractor shall have prior experience in this type of work.
- b) The Grantees shall give prior notice to Ms. Marcia Sykes, being the daughter of the Owner, as to the time and date of the planting(s) of the vegetation described in the Plan. Such notice may be given by the Grantees to Ms. Marcia Sykes (i) through a telephone call (and/or telephone message) through her cell phone number of 262-497-4874, and/or (ii) through an e-mail message sent to her at the email address of msykes4@wi.rr.com. The Grantees shall give such a notice to Ms. Marcia Sykes in advance of the time and date of the proposed planting(s) of the vegetation, at least on the day immediately prior to the day of the said work.
- c) When and if Ms. Marcia Sykes does attend and be present for the work performed for the Planting Project, she may indicate to the Grantees' contractor the specific locations of the said plantings, provided that her directions are reasonably in conformance with the Plan. Otherwise, the Grantees' contractor shall make such

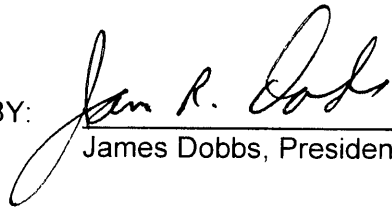

plantings at locations determined by the contractor, in reasonable conformance with the Plan.

- d) Prior to the Planting Project being undertaken, and at a time and date mutually agreeable to the Grantees' contractor and Ms. Marcia Sykes, they shall meet on the Owner's Property and mark out with stakes (or with some other method) the areas on the Owner's Property of the planting locations shown on the Plan. This meeting on the Owner's Property is a condition precedent to the Grantees' contractor undertaking the Planting Project.
- e) The Planting Project shall be undertaken by the Grantees' contractor at such time(s) of the year that the said contractor determines is still a part of the growing season for the planting(s) of the vegetation described in the Plan.
- f) Once the Planting Project is commenced, and thereafter, the Owner shall be the party solely responsible for the watering and care of the vegetation so planted on the Owner's Property. The Grantees shall not, after such planting(s) is performed, be responsible for the future growth and/or thriving of the vegetation so planted.
- g) The flagstones located near the driveway on the Property, to the extent they need to be removed for the Project, shall be stacked and placed on the Owner's driveway, at a location on the driveway that does not block the Owner's vehicular ingress and egress on the driveway. Once so stacked and placed on the driveway, it shall be the responsibility of the Owner to take such further steps with respect to the said flagstones, as the Owner may desire.
