

**SEC. 10-1-13 WINTER PARKING.**

(a) This Section shall be in effect through the winter months, from December 1st through April 1st, inclusive. The purpose of this Section is to assist the Town in keeping the streets free from snow and ice.

(b) Parking of any vehicle between 6:00 a.m. and 6:00 p.m. the following day shall only be permitted on the even side of the street on even-numbered calendar days, and on the odd side of the street on odd-numbered calendar days.

(c) For the purpose of public safety, property owners who live where turnaround tees exist are prohibited from parking any type of recreational or motorized vehicles within this area from December 1st through April 1st inclusive.
