SEC. 11-2-16 SEX OFFENDER RESIDENCY RESTRICTIONS.

(a) **Recitals, Findings and Intent.**

(1) **Recitals.**

- (a) Whereas, after reviewing and discussing examples of sex offender residency restriction ordinances from several other Cities, Towns and Villages, including maps of prohibited locations for the residency of sex offenders corresponding to such ordinances, the locations of places where children are known to congregate in the Town and a power point presentation on Sex Offender Residency Restrictions, after several public meetings, the Village Board adopted the first version of this ordinance on August 8, 2008.
- (b) Whereas, on May 5, 2014 the Village made amendments to the ordinance to address developments in the law surrounding sex offender residency restrictions and clarified some provisions.
- (c) Whereas the United States District Court for the Eastern District of Wisconsin issued an Order on April 17, 2017, in the case titled *Hoffman v. Village of Pleasant Prairie*, which contained holdings that directly impact the terms of the Village's Municipal Code Section 11-2-16 and make it necessary to amend the terms of this Section to comply with the District Court's holdings.
- (d) Whereas, on June 12, 2017, July 10, 2017 and July 31, 2017, the Village's Legislative and Licensing Committee held public meetings on proposed revisions to the Village' sex offender ordinance. At these meetings, the Committee reviewed and discussed the existing ordinance, proposed revisions to the existing ordinance and discussed the following written materials:

1. “Recidivism of Adult Sexual Offenders.” U.S. Department of Justice, July 2015, SOMAPI (Sex Offender Management Assessment and Planning Initiative); and
 2. “An Overview of Sex Offender Management.” July 2002, U.S. Department of Justice, CSOM (Center for Sex Offender Management); and
 3. “There goes the Neighborhood? Estimates of the Impact of Crime Risk on Property Values from Megan’s Laws.” May 2006, National Bureau of Economic Research; and
 4. Order of the Honorable J.P. Stadtmueller of the United States District Court, Eastern District of Wisconsin, Hoffman et al. v. Village of Pleasant Prairie, Case No. 16-CF-697-JPS.
- (e) Whereas, the Village Board held a public meeting on August 4, 2017 on this ordinance. At this meeting the Village Board reviewed the existing ordinance, proposed revisions to the existing ordinance and discussed the same materials as the Committee as set forth under subsection (4) above.
- (2) **Findings.** This ordinance is a regulatory measure aimed at protecting the health and safety of children in the Village from the risk that convicted sex offenders may reoffend in locations close to their residences. The Village Board finds and declares that repeat sexual offenders who use physical violence and sexual offenders who prey on children, are sexual offenders who present an extreme threat to the public safety and the health of children. Sexual offenders are extremely likely to use physical violence and to repeat their offenses; and most sexual offenders commit many offenses, have many more victims than are ever reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sexual offender victimization to society at large and the community where they reside, while incalculable, clearly exorbitant. It is further believed that such persons present an alarmingly high risk of re-offending once released and as such it is better for sex offenders to reside in their home community where their support systems exist rather than in a community where the sex offender may not have a support network. The Village Board finds the risk of recidivism increases if the sex offender recently offended and if the sex offender does not have a strong social network, including community and familial ties. The Village Board is aware of many studies and reports concerning recidivism of sex offenders and the effectiveness of sex offender residency restrictions. The Village Board acknowledges that literature on the subject includes some studies that support the practice of sex offender residency restrictions and others that are critical of the practice. The Village Board is also aware that absent a domicile clause, the Village would have open doors for non-resident sex offender residency when other communities have closed doors, inviting a substantial increase in child sex offender placements, with the related adverse impacts on the health, safety and welfare of the Village and its residents. As such, the Village hereby establishes regulations which restrict certain offenders from residing or congregating in areas that are at or near where there is a high concentration of children in order to provide better protection

for children in the Village by minimizing immediate access and proximity to children and thereby reducing opportunity and temptation for recidivism.

- (3) **Intent.** It is expressly not the intent of this Ordinance to impose additional punishment on sex offenders, but rather to serve the Village of Caledonia’s compelling interest to promote, protect and improve the health, safety and welfare of the citizens of the Village by creating areas around locations where children regularly congregate in concentrated numbers wherein certain sex offenders and sex predators are prohibited from establishing residency. The Village establishes these regulations in order to provide protection to children in the Village by minimizing immediate access and proximity to children and thereby reducing opportunity and temptation for recidivism. Due to the high rate of recidivism for sexual offenders, and because reducing both opportunity and temptation would help minimize the risk of reoffense, there is a compelling need to protect children where they congregate or play in public places.

SEC. 11-2-17 PROHIBITED CONDUCT OF DESIGNATED SEX OFFENDER.

- (a) **Findings and Intent.**
 - (1) Findings. Repeat sex offenders, sex offenders who use physical violence, Designated Offenders as that term is defined under 11-2-16(b) and sex offenders who prey on children are sex predators who present a serious threat to the public safety. Sex offenders are extremely likely to use physical violence when they offend and to repeat their offenses; and, most sex offenders commit multiple offenses, have many more victims that are never reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sex offender victimization to society great, and justifies efforts to protect the public from it. Because reducing both opportunity and temptation will minimize the risk of re-offense for those Sex Offenders who will re-commit sex offenses against children, there is a compelling need to separate Sex Offenders from places where children congregate or paly in public places.
 - (2) Intent. It is the intent of the Village Board to service the Village of Caledonia's compelling interest to promote, protect and improve the health, safety and welfare of the citizens of the Village by creating areas around locations where children regularly gather and congregate in concentrated numbers wherein certain sex offenders and sex predators are prohibited from establishing residency. It is not the intent of the Village Board to impose additional punishment on Sex Offenders.

- (b) **Definitions.** The following words, terms and phrases, when used in this Ordinance, shall have the meanings ascribed to them in this Section, except when the context clearly indicates a different meaning:
 - (1) “Designated Offender” shall have the same meaning as specified in Sec. 11-2-16(b)(3) of this Code of Ordinances.
- (c) **Prohibited Activity.** It is unlawful for any Designated Offender to participate in a holiday event involving children under eighteen (18) years of age. Holiday events in which the offender is the parent or guardian of the children involved, and no non-familial children are present, are exempt from this Section. Participation is defined as actively taking part in the event and shall include, but is not limited to, distributing candy or other items to children on Halloween, wearing a Santa Claus costume on or preceding Christmas, or wearing an Easter Bunny costume on or preceding Easter. Participation shall not be interpreted to include attendance as a member of the audience at an event where children are involved so long as the attendance does not also include assisting in organizing or running the event.
- (d) **Severability.** Should any section, paragraph, sentence, clause or phrase of this Section be declared unconstitutional or invalid, or be repealed, it shall not affect the validity of this Ordinance as a whole, or any part thereof, other than the part so declared to be invalid or repealed.
- (e) **Penalties.** Any person who violates any provision of this Section shall, upon conviction thereof, be subject to a forfeiture not to exceed Five Hundred (\$500.00) Dollars, together with the costs of prosecution, and in default of payment thereof, shall be committed to the County Jail for a period not to exceed ninety (90) days. Each violation and each day such violation continues shall be considered a separate offense.
