

Village of Caledonia Residential Plan Submittal Requirements

As of 11/19/2019 the Village of Caledonia is now using the State of Wisconsin Online Building Permit System for all new home applications. Once your permit application to the State has been accepted, provide the following to:

Erika Waege at ewaege@caledonia-wi.gov

DATE SUBMITTED	MARK FOR COMPLETION	REQUIRED
		Village of Caledonia Building Permit Application
		Two sets of house plans to scale
		Two energy worksheets - acquired from the heating contractor
		Two scale copies of a parcel survey. Surveys must include setbacks, elevations, and drainage plan.
		Copy of Port-a-Potty contract
		Specifications for a pre-fabricated fireplace, if applicable
		If a mound system is needed, the sanitary permit from Racine County Planning & Development is required
		Land Disturbance permit application
