# OBJECTION FORM FOR REAL PROPERTY ASSESSMENT

Section 70.47(7)(a), Wisconsin Statutes states " No person shall be allowed in any action or proceedings to question the amount or valuation of property unless such written objection has been filed and such person in good faith presented evidence to such board in support of such objection and made full disclosure before said board . . ."

**Note:** The Board of Review can hear only sworn oral testimony regarding the value of the property. It cannot hear protests regarding the amount of property taxes or questions of exemption. The best evidence of the value of your property is a recent arm's-length sale of your property. The next best evidence is recent arm's length sales of comparable property. If there are no sales of your property or comparable property, you should present other evidence that indicates the value of your property. This would include cost, income, appraisals, and sales of like property.

## **BOARD OF REVIEW**

A hearing on your objection has been scheduled before the Board of Review. The hearing date is dependent on the number of appeals brought to the Board.

You may wish to consider the following as you prepare for your hearing:

1. **All evidence must be given as sworn, oral testimony. You or your agent must attend the hearing if you wish your evidence to be considered. You should be prepared to explain to the board what you think your property is worth and why.**
2. You must present evidence to support your estimate of fair market value. This evidence must be either:
  - A. A recent sale of your property, if any. Bring written proof, such as a closing statement or real estate transfer return to substantiate the date and amount of the sale.
  - B. Recent sales of similar properties in your neighborhood, if any. Bring written proof substantiating the amount and the date of sale.
  - C. Other specific reasons or factors showing the assessment is in error. Bring written evidence when possible, such as cost estimates for repairs and the like.

Be prepared to show how recent sales of similar properties compare to your property if you present them as evidence; for example, style, square footage of house, lot size, number of rooms, condition, exterior wall constructions, etc. Written appraisals by qualified experts should be accompanied by oral testimony from those witnesses.

3. The Assessor will present evidence related to the market analysis performed on your property.
4. Bring **seven (7) copies** of all written documents to the hearing and give them to the Village Clerk at the start of the hearing.

The Board will determine the market value of your property based on the **evidence presented**. You will be sent a written notice of the Board's decision after the hearing.

The options for appealing the decision of the Board of Review are listed on the back of the determination notice. Generally property owners who wish to appeal seek assistance from someone knowledgeable in the preparation of legal documents.
