9. Adjournment

Dated March 12, 2021

Joslyn Hoeffert  
Village Clerk

Only committee members are expected to attend. However, attendance by all Board members (including non-members of the committee) is permitted. If additional (non-committee) Board members attend, three or more Board members may be in attendance. Section 19.82(2), Wisconsin Statutes, states as follows:

If one-half or more of the members of a governmental body are present, the meeting is rebuttably presumed to be for the purposes of exercising the responsibilities, authority, power or duties delegated to or vested in the body.

To the extent that three or more members of the Caledonia Village Board actually attend, this meeting may be rebuttably presumed to be a “meeting” within the meaning of Wisconsin’s open meeting law. Nevertheless, only the committee’s agenda will be discussed. Only committee members will vote. Board members who attend the committee meeting do so for the purpose of gathering information and possible discussion regarding the agenda. No votes or other action will be taken by the Village Board at this meeting.

**1. Call to Order**

Trustee Wishau called the meeting to order at 5:30 p.m.

Committee Members: Trustee Wishau, Trustee Martin and President Dobbs. Trustee Weatherston and Trustee Stillman were also present.

Absent: None.

Department Managers: Administrator Tom Christensen, HR Director Toni Muise, Public Works Director Tom Lazcano, Development Director Peter Wagner and Highway Supervisor Bill Jacoby.

**2. Approval of Minutes**

Motion by Trustee Martin to approve the minutes dated February 1, 2021. Seconded by President Dobbs. Motion carried unanimously.

**3. Resolution 2021-18 – Resolution Authorizing The Village Of Caledonia To Procure A Rubber Tire Excavator**

The Finance Committee briefly discussed the different bids that were received. Although there were cheaper bids, Fabrick Cat was recommended because the attachments are compatible with the Highway Department's equipment.

Motion by Trustee Martin to approve Resolution 2021-18 and forward to the Village Board for final approval. Seconded by President Dobbs. Motion carried unanimously.

**4. Resolution 2021-19 – Resolution Authorizing The Village Of Caledonia To Procure A Bucket Truck**

The Finance Committee briefly discussed the different bids that were received. Jacoby explained the difference in specs, but all the bids were comparable. There was no real trade-in value and the old equipment was suggested to be listed the Wisconsin Surplus site for more return value. The Runnion Equipment Company was recommended.

Motion by Trustee Martin to approve Resolution 2021-19 and forward to the Village Board for final approval. Seconded by President Dobbs. Motion carried unanimously.

**5. Beer Garden Discussion**

The Parks and Recreation Advisory Committee reviewed the Beer Garden contract and discussed the possibility of the contract being amended. The Committee reviewed parts of the contract and discussed how this might be affected if the County were to take over the park. Ken Michel of the Beer Garden was present and proposed modifying the rent calculated formula to bring down the cost of rent; Michel explained that they are paying more rent than Petrified Springs Park (a larger park). He felt with the high rent causes hesitation to open on a less-busy weekends for affordability reasons. There was discussion to modify the percentage based off Petrified Springs rental. There was further discussion regarding the drink tokens that are being provided by the Beer Garden and the

possibility of having two different drink tokens to distinguish which are to be collected on for revenue.

Staff thought that if there was going to be a comparison of contracts, in this instance with Petrified Springs Park, then the contract should be compared in totality - such as exclusive rights to the park. Rates from surrounding parks were checked, but it was found that there is not consistency with what is being charged among those establishments. Staff commended Michel for his work at the park but had concerns with raising the limit and dropping the percentage. Staff ultimately felt no changes should be made, however the Board felt this should be discussed further. The Board asked that this contract be further discussed at the Special Village Board meeting in Closed Session.

**6. Adjournment**

Motion by Trustee Martin to adjourn. Seconded by President Dobbs. Motion carried unanimously.

Meeting adjourned at 6:02 p.m.

Respectfully submitted,

Joslyn Hoeffert, Deputy Village Clerk

**RESOLUTION NO. 2021-37**

**RESOLUTION OF THE VILLAGE BOARD OF THE VILLAGE OF CALEDONIA  
ADOPTING THE PARK SPORT FACILITY FEE SCHEDULE PURSUANT TO TITLE 12  
OF THE CODE OF ORDINANCES OF THE VILLAGE OF CALEDONIA**

The Village Board of the Village of Caledonia, Racine County, Wisconsin, do resolve as follows:

**WHEREAS**, it becomes necessary from time-to-time to review and amend the fee schedule for park sports facilities provided by the Village of Caledonia; and

**WHEREAS**, the Village's Development Director has submitted a schedule of fees for Sports Facilities to the Village Parks Advisory Committee and Finance Committee who has reviewed and recommended approval of the fee schedule;

**NOW, THEREFORE, BE IT RESOLVED** by the Village Board that the fees to be charged under the fee schedule reasonably relate to the services being provided by the Village as required by statute and ordinance, and that the "2021 Village of Caledonia Sports Fees and Policies" attached hereto as **Exhibit A** be adopted and effective beginning on April 1, 2021 until modified by further resolution of the Village Board.

Adopted by the Village Board of the Village of Caledonia, Racine County, Wisconsin, this \_\_\_\_\_ day of March, 2021.

# MEMORANDUM

Date: March 10, 2021

To: Finance Committee

From: Tom Lazcano P.E. *Tom Lazcano*  
Public Works Director

Re: 4 Mile Road and Douglas Avenue Emergency Vehicle Preemption (EVP)  
Installation

---

The Fire Department requested funds to add Emergency Vehicle Preemption devices on the signals at the 4 Mile Road and Douglas Avenue intersection. The EVP allows emergency vehicles to change the signal lights to green during emergencies. The Board approved funds for EVP at the intersection in the 2021 budget. The Public Works Director reached out to the Wisconsin Department of Transportation to get information on who the Department uses for EVP installations for State projects. WisDOT only uses TAPCO for EVP work, however, they use several contractors to install the equipment on the signal arms and run the wire. I spoke to Aaron Guilbault at TAPCO and he agreed to get 3 quotes from contractors to install the EVP equipment and TAPCO would be used to supply the devices and signal equipment and make connections in the cabinet.

TAPCO received quotes from Pro Electric, Outdoor Lighting and Pieper Electric.

Attached are a quote sheet showing all 3 contractors prices and a quote with the lowest bid.

The Public Works Director reached out to Interim Chief Henningfeld and he would like to go forward with the work and has recommended approval to go with TAPCO and Pro Electric.

**NARRATIVE**

On 02/23/2021, I, Officer Schenk was assigned uniform patrol and in marked squad 215 when I was advised of a traffic incident that occurred on 02/22/2021. I was advised that Dennis Bishop had reported that his vehicle was damaged by snow that was being pushed by a Village of Caledonia plow truck.

I called Dennis, and arranged a time to meet with him at his residence, 940 Kentwood Drive (Village of Caledonia). Dennis informed me that yesterday at approximately 10:45am he was traveling West bound on Four Mile Road near the post Office. Dennis stated that he observed an East bound plow truck pushing snow, and right when the road opens up to two lanes (approximately the 2800 block of

Four Mile Road, Village of Caledonia) the snow was pushed, and flung across the roadway and struck his vehicle (2021 Chevy Silverado bearing Wisconsin registration LV2358). I photographed the vehicle, and observed that the driver side mirror was cracked, and the housing was damaged. I also observed there to be multiple small dents to the hood of the vehicle.

I then went to the Highway Department and met with the Village of Caledonia Highway Superintendent Bill Jacoby. Bill informed me that Steve Sobczak reported that a citizen had approached him at approximately 10:45am on 02/22/2021 informing him that the snowplow damaged his truck. Bill stated that Steve was approached on Four Mile Road at the traffic lights on Douglas Avenue. Bill stated that Steve said that snow could have went across the roadway from the plow, but he was not sure.

I later called Dennis, and informed him I would be mailing him a Citizen Claim and Damage form for him to complete and turn into Village Hall.

I mailed the form out to Dennis, and turned in the photos to be uploaded.

Nothing further to report at this time,

Officer Schenk #7770.
