

PUBLIC WORKS COMMITTEE MEETING
Monday, May 10, 2021 at 4:15 PM
Caledonia Village Hall – 5043 Chester Lane

THIS WILL BE AN IN-PERSON MEETING – MAX NUMBER OF ATTENDEES 16

1. Call to Order
2. Approval of Minutes
3. Briarwood Condo Early Start Amendment
4. YMCA Run
5. Ned Kramer Lawn Damage Complaint
6. Quarry Blasting permit renewal
7. Adjournment

May 7, 2021

Joslyn Hoeffert
Village Clerk

Only committee members are expected to attend. However, attendance by all Board members (including non-members of the committee) is permitted. If additional (non-committee) Board members attend, three or more Board members may be in attendance. Section 19.82(2), Wisconsin Statutes, states as follows:

If one-half or more of the members of a governmental body are present, the meeting is rebuttably presumed to be for the purposes of exercising the responsibilities, authority, power or duties delegated to or vested in the body.

To the extent that three or more members of the Caledonia Village Board actually attend, this meeting may be rebuttably presumed to be a "meeting" within the meaning of Wisconsin's open meeting law. Nevertheless, only the committee's agenda will be discussed. Only committee members will vote. Board members who attend the committee meeting do so for the purpose of gathering information and possible discussion regarding the agenda. No votes or other action will be taken by the Village Board at this meeting.

Public Works Committee
March 10, 2021

Trustee Weatherston called the meeting to order at 1:33 p.m. in the Boardroom of the Village Hall, 5043 Chester Lane, Racine, Wisconsin via Zoom.

Present were: Trustee Weatherson and Trustee Stillman

Absent: Tom Lazcano

Staff present: Village of Caledonia Administrator Tom Christensen

1. Approval of minutes

Motion by Trustee Stillman to approve the minutes from the February 3, 2021 meeting. Seconded by Trustee Weatherson. Motion carried unanimously.

2. Flashing Stop Signs at 5 Mile and STH 38

Flashing Stop Signs at 5 Mile and STH 38 Discussion:

The discussion opened with the option of replacing the stop signs at the intersection of 5 Mile and STH 38 for the East and the West heading traffic with flashing stop signs. The point of discussion that STH 38 is a State Hwy can the Village of Caledonia just put them up or would it need state approval.

Motion by Trustee Stillman for the addition of two flashing stop signs at intersection 5 Mile Rd and STH 38 subject to conditions listed below.

- Public Works Director Tom Lazcano to contact the State DOT for approval and possible funds for the installation of two flashing stop signs.
- If the State does approve the installation of two flashing stop signs without funds allocated to the Village of Caledonia, Caledonia would purchase and install two flashing stop signs at their cost.

Seconded by Trustee Weatherston. Motion carried.

4. Adjournment

Trustee Stillman motioned to adjourn. Seconded by Trustee Weatherson. Motion carried unanimously. Meeting adjourned at 1:45 p.m.

Respectfully submitted,
Erika Waage, Building Admin

MEMORANDUM

Date: May 5, 2021

To: Public Works Committee
Village Board

From: Tom Lazcano P.E.
Public Works Director

Re: Briarwood of Caledonia – Request to Build Early

The Engineering Department has received a request to allow the developer to build one 2-unit condo early to use as a model for the Briarwood development. The Development Agreement states that building permits cannot be issued until the road is paved. The developer has several reasons for the request and asked to be placed on the Public Works Committee agenda.

The Developer has given the following reasons for their request:

- They would like to build a model home to show customers that would be interested in purchasing condos what they actually look like. According to the developer, it is easier to sell units when you have a model that people can walk through and see.
- The Developer is concerned about the cost of building materials going up and would like to build the model sooner, if possible. Over the past few months building materials have gone up significantly and some items are on back order. Building early would save on costs and possibly avoid delays.
- The Developer has limited control over the paving schedule, they can theoretically have the road base gravel ready in June but it might not get paved for some time if the paving contractor cannot get to it right away, and the finished model condo would not be ready for several months after that.

After reviewing the request, the Engineering Department would be okay with allowing one 2-Unit condo to be built prior to the road paving. The Engineering Department would request that it be the closest unit to the entrance in case any emergency units are during construction.

If the Public Works Committee and Village Board are willing to support the early start request, the following motion is recommended.

Move to approve the Briarwood Condominium condo early start request subject to the following:

- **Section 19 of Development Agreement will need to be amended to allow building permits for one 2-unit condo prior to the private road being constructed and accepted.**

design (CAD) system maintained by the Village. The as-built plans shall be prepared by modification of the construction drawings to reflect as-built data for streets, water mains, storm and wastewater collection systems, site grading, and all other relevant public improvements. The Village will be reimbursed by the Developer for the cost of changes to the base and other maps and official drawings not provided by the Developer's as-built drawings, but necessitated by actions of the Developer, whether or not such items are enumerated in this Agreement.

19. **Building Permits and Unit Construction.** Until the Public Improvements provided herein to be installed to service the Condominium have been installed to the reasonable satisfaction of the Village's Utility Director and Director of Public Works, no building permits shall issue as to units in the Condominium; provided, however, that building permits may issue as to Units fronting on streets within the Condominium if the Storm Sewer System has been installed and accepted by the Village and the private road for that phase has been constructed and accepted by the Village. Finished yard grades and grading plans must be approved by the Village's Director of Public Works before construction may commence and the unit owner shall be responsible for the costs of any review at the time of building permit review.

20. **Hydrants.** The Developer shall, at its expense, provide pre-painted hydrants of a design and construction satisfactory to Village staff and consistent with the Village's color code system in those areas of the Property specified by the Village.

21. **Laws To Be Observed.** The Developer and Contractor shall at all times observe and comply with all federal, state and local laws, regulations and ordinances (collectively, the "Laws") which are in effect or which may be placed in effect and impact the conduct of the work to be accomplished under this Agreement to construct the Public Improvements and private improvements, inclusive of repairs, replacements and alterations (collectively for the purposes of this Section and Section 22 the "Work"). 1.c. Roads/lanes to be used/closed

Two Mile Route

Main roads/lanes to be used/closed:

1. Route begins at Olympia Brown Elementary School, 2115 5 ½ Mile Rd (pending approval)
2. North on Novak Road to 5 ½ Mile Road
3. East on 5 ½ Mile Road to Charles Street
4. South on Charles Street to just north of Silent Sunday Court

Please note: The return route follows the same course.

Four Mile Route

Main roads/lanes to be used/closed:

1. Route begins at Olympia Brown Elementary School, 2115 5 ½ Mile Rd (pending approval)
2. North on Novak Road to 5 ½ Mile Road
3. East on 5 ½ Mile Road to Charles Street
4. South on Charles Street to Four Mile Road
5. East on Four Mile Road to just west of Carter Drive

Please note:

1. Course turnaround point is west of Carter Drive
2. Return route follows the same course

Ten Mile Route

Main roads/lanes to be used/closed:

1. Route begins at Olympia Brown Elementary School, 2115 5 ½ Mile Rd (pending approval)
2. North on Novak Road to 5 ½ Mile Road
3. East on 5 ½ Mile Road to Broadleaf Drive
4. West on Broadleaf Drive to Lone Elm Road
5. North on Lone Elm Drive to Six Mile Road
6. West on Six Mile Road to Lone Elm Drive
7. North West on Lone Elm Drive to Indian Trail
8. North East on Indian Trail to Lakeshore Road (near Chapa Park)
9. South on Lakeshore Road to Six Mile Road
10. East on Six Mile Road to Novak Road
11. South on Novak Road to Circle Wood Drive
12. South East on Circle Wood Drive to Novak Road
13. South on Novak Road to Creek Ridge Drive
14. East on Creek Ridge Drive to Meadowdale Lane
15. South on Meadowdale Lane to Dustir Drive
16. East on Dustir Drive to 5 ½ Mile Road
17. East on 5 ½ Mile Road to Charles Street
18. South on Charles Street to Four Mile Road
19. East on Four Mile Road to Lighthouse Drive
20. South on Lighthouse Drive to Village Hall Drive

21. East on Village Hall Drive to Wind Point Lighthouse

RETURN ROUTE WITH THE FOLLOWING REVISION:

At 5 ½ Mile Road:

- 22. ½ Mile Road, continue west past Dustir Drive to Novak Road
- 22. South on Novak Road to Olympia Brown School

MEMORANDUM

Date: May 7, 2021

To: Public Works Committee

From: Tom Lazcano P.E. *Tom Lazcano*
Public Works Director

Re: 43rd Annual Lighthouse Run 2021

The Department of Public Works has received a request for permission to allow the 43rd Annual Lighthouse Run through the Village of Caledonia.

The Lighthouse Run will be held July 31st this year. It will begin at the Olympia Brown school and will end at different locations depending on the distance each runner chooses. The run will go through portions of the Village of Caledonia and the Village of Wind Point. The organizers are working on arrangements with Olympia Brown and Village Parks for start and rest locations.

Brenda Hughes is the contact person for the event. Brenda has submitted a letter that addresses necessary requirements per the Village Ordinance. The Event will need Police and Department of Public Works services. Brenda will work with each department on the specifics. The event has volunteers that will set up, clean up and take down any cones or signage that they need for the run.

This is the first time the Lighthouse Run has asked to go through the Village of Caledonia and that is why this is before the Public Works Committee. The Public Works Director recommends approval of the Lighthouse Run subject to arrangements and agreements being made with Police and Highway Department.

RE: Event Requirements

Dear Mr. Lazcano,

On behalf of the Racine Family YMCA, thank you for the opportunity to provide a written request to hold the 43rd Annual Lighthouse Run in Caledonia, Wisconsin on Saturday, July 31, 2021. Following is the information required to support our request.

1. Event information

a. Date of run/walk/event.

The Lighthouse Run will take place on Saturday, July 31, 2021.

b. Times for run/walk/event

1. The times for the Lighthouse Run are 8:00 a.m. to 1:00 p.m.
2. The event set-up times are 5:00 – 8:00 a.m.
3. The course tear-down begins at 11:30 a.m. and ends at 1:00 p.m.; event tear-down begins as people leave the event after the completion of the race.

c. Roads/lanes to be used/closed

1. Following is a link to the route map, including the 2, 4 and 10 mile routes:
<https://5kevents.raceentry.com/race/racine-family-ymca-lighthouse-run/maps>

Please refer to Attachment #1.

Please note: The Racine Family YMCA is in the process of obtaining permission from the Racine Unified School District to use the grounds of Olympia Brown School, located at 2115 5 1/2 Mile Rd, Racine, WI 53402, for the start and finish of the race. If permission is not granted, the Y will provide alternate route information for review.

2,000

f. Contact person for race/event

Brenda Hughes, Chief Philanthropy Officer

Email: bhughes@ymcaracine.org

Cell: 414-861-7442

g. Clean up procedures

Lighthouse Run volunteers and Racine Family YMCA staff begin cleaning as soon as the runners are finished in each area. Tear-down start time typically begins around 11:30 a.m. until completed. The Racine Family YMCA provides supplies (trash bags, etc.) for tear-down/clean-up.

2. The event sponsor must provide proof of liability insurance with coverage of at least \$1 million naming Village, officials and employees as additional insureds for the event.

The Y will procure and provide proof of liability insurance with coverage of at least \$1 million naming Village, officials and employees as additional insureds for the event.

3. The event sponsor must address the need for restroom facilities and water stations in the request.

The Racine Family YMCA will provide sufficient portable restroom facilities for the event, and water stations will be placed along the route.

4. The event sponsor must contact both the Caledonia Highway Department and the Caledonia Police Department in regard to:

a. Need for police officers

The Y will work with the Caledonia Police Department in regard to police officers needed for the event.

b. Closure of lanes/intersections

The Y will work with the Caledonia Highway Department in regard to lane/intersection closures.

c. Need for barricades/cones/signage

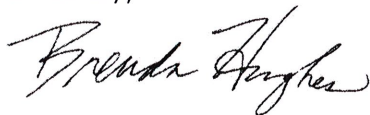

The Y is contracted with 5KEvents.org for the Lighthouse Run. 5K Events will provide traffic cones, and the Y will provide signage. We would need to arrange for barricades from the Village of Caledonia.

5. Any Village required signage, barricades or cones shall be the responsibility of the sponsor and any costs for insurance, police officers, barricades, cones, etc., shall be paid for by the sponsor.

The Racine Family YMCA accepts responsibility for providing and all costs of required signage, barricades, cones, insurance, police officers, etc.

Thank you again for the opportunity to provide this written request to present the 43rd Annual Lighthouse Run in the Village of Caledonia. If you have any questions regarding the event, please contact me at 414-861-7442 (cell) or email to bhughes@ymcaracine.org. Thank you.

Sincerely,

Brenda Hughes
Chief Philanthropy Officer

Public Works Director

Re: Pulverized topsoil Request – 1813 4 ½ Mile Road

Mr. Ned Kramer, who owns the home at 1813 4 ½ Mile Road has reached out to Village staff and Trustees concerning the lawn area in the Village's road Right of Way adjacent to the northwest corner of his property. Mr. Kramer believes that snow plowing operations this past winter damaged his property and created low spots and holes in the lawn and has requested 10 to 12 cubic yards (CY) of pulverized topsoil from the Village to repair the lawn.

In mid-April, members of the Highway Department responded to Mr. Kramer's initial complaint and visited his property and filled several holes along the back of curb with topsoil and grass seed. Mr. Kramer was not satisfied with the repair and elevated his concerns to the Village Administrator, Mr. Tom Christensen and to Village Trustee, Mr. Kevin Wanggaard. The Administrator asked me to take a look at Mr. Kramer's concern and report back.

I met Mr. Kramer at his home on April 28th to review and discuss his concerns. I did notice there were some low spots and holes in the Village's road Right of Way which I considered minor. Mr. Kramer considered the low spots and holes major damage and was adamant that they were caused by the Village's end loader moving snow piles back onto the lawn. I explained to Mr. Kramer that the damage he was complaining about was within the Village's road Right of Way and that our Highway Department had to move the snow piles back to allow left turning traffic from Sunshine to see traffic from the east on 4 ½ Mile Road to make the turn safely. I told him I was satisfied with the Highway Department's repairs from mid-April and that I did not see the need bring additional topsoil to fix the road Right of Way area. I offered to have the Highway Department bring additional grass seed and erosion mat for the areas we had already repaired and Mr. Kramer declined.

Mr. Kramer was not satisfied with my response and wanted to elevate further. I reached out to him on May 4th and offered to send the issue to the Public Works Committee Meeting in May.

I have attached photos showing the location of the subject area and an aerial photo showing the property and road right of way limits.

I believe giving 10 to 12 CY of pulverized topsoil to Mr. Kramer would set a bad precedent that would be financially detrimental to the Village and would make residents believe they own and/or have authority over the road Right of Way. That would be harmful to future plowing operations by limiting how far back snow would be stored. The Village has the right to store snow in the road Right of Way and needs to do so to keep roads clear of snow and ice and keep them safe. I recommend making a motion denying delivering 10 – 12 CY of pulverized topsoil to Mr. Kramer's property to fill the road Right of Way area.

RE: Payne & Dolan – Racine Quarry - Explosives and Blasting Permit

BACKGROUND INFORMATION

The Village of Caledonia issues an annual Explosives and Blasting Permit for the Payne & Dolan Racine Quarry. The information and the required permit fees for the Permit was submitted by Payne & Dolan on April 27, 2021.

The information for the permit was reviewed by the Engineering Department and appears to be in order. There are no expiring licenses during this permit period that need to be updated. If any new blasting personnel are added an updated Blaster list is required.

This Explosive and Blasting Permit is valid from July 1, 2021 to June 30, 2022.

This Explosive and Blasting Permit is hereby recommended for approval at the May 10th Public Works Committee meeting and the May 17th Village Board meeting.

RECOMMENDATION

Move to approve the Explosive and Blasting Permit for Payne & Dolan, Inc. – Racine Quarry subject to the following

- 1. An updated Licensed Blasters List for the Racine Quarry is submitted to the Village as licenses are renewed or staff is added so a current list is on file at the Village Hall.**

RE: Explosives Use Permit – Racine Quarry

Dear Mr. Lazcano:

In accordance with the Village of Caledonia's Code of Ordinances, Title 7, Chapter 10, Explosives and Blasting, Payne & Dolan respectfully submits this application for renewal of the explosive use permit for our Racine Quarry located at 1501 Three Mile Road in the Village of Caledonia.

Concurrent with this application, Payne & Dolan will notify in writing all village residents or owners located within the scaled distance area in order that they may request a pre-blast survey as allowed by the above ordinance.

The following documents are enclosed and submitted in support of our application:

1. Permit fee of \$500.00
2. Blasting procedures and types of explosive
3. Legal description of explosives use area
4. Scale distance calculations
5. Licensed blasters to be employed at the quarry
6. Explosives Use Permit Map
7. Copy of letter sent to residents or owners regarding the pre-blast survey
8. List of residents or owners notified
9. Copy of Performance Bond in the amount of \$50,000.00
10. Aerial photograph, scaling 1 inch = 200 feet with a 50' x 50' grid showing the permitted use area and the surrounding area within 500 feet

Thank you for your time and effort in this request. We appreciate the opportunity to work in your community. If you have any questions and/or need additional information, please do not hesitate to contact me at (262) 524-1258 or cweninger@walbecgroup.com

Explosives Use

Blasting Designs: Generally, there are seven different blasting designs that could be used at the Payne & Dolan Racine Quarry. The specific blast design used varies with the blast location, rock formation and/or face height being blasted. All standard blast designs can be described as one of the seven following types:

- Type 1: Production shot, 3-1/2" hole, no deck
- Type 2: Production shot, 3-1/2" hole, single deck
- Type 3: Production shot, 4" hole, no deck
- Type 4: Production shot, 4" hole, single deck
- Type 4: Production shot, 3" hole, no deck
- Type 5: Production shot, 3" hole, single deck
- Type 6: Production shot, 3" hole, double deck

Variations on these methods are occasionally used when development is taking place.

Explosives Supplier: Different manufacturers according to cost, efficiency, and availability may supply explosives used in the quarry. The emulsion based blasting agent is supplied by Quick Supply, and is the current standard blasting agent supplier in use at the Racine Quarry. Payne & Dolan, in following normal operating procedures, does intend to seek improvements in blast performance by the introduction of new and/or different explosive products as available. No dynamite products are used at the Racine Quarry.

Blasting Systems: An electronic blasting system is the form of blasting technique in use:
Quick Supply: The Digital Control System previously used has been replaced by the new and improved Electronic System which enables previously unobtainable levels of blasting control through its precision timing and flexibility. Delay periods can vary between 0-15,000 milliseconds, with a 1 millisecond increment according to the attached Standard Blast Designs. Electronic blasting system will allow us to be safer, environmental sound, and neighbor friendly.

Note: See page 2 "Standard Blast Designs" for additional details on the seven standard blast designs.

Property Description – East Quarry

That portion of the SE ¼ of Section 29 and SW ¼ of Section 28, T4N-R23E, Village of Caledonia, Racine County, Wisconsin described as follows:

Commencing at the section corner common to Sections 29, 28, 32 and 33 of said T4N-R23E; thence N 39°43'33" W 42.92 feet to the intersection of the North right-of-way line of Three Mile Road and West right-of-way line of Vacated Charles Street, said intersection is the point of beginning of this description; thence, along said North right-of-way line, S 89°59'14" W 1096.15 feet; thence, continuing along said North right-of-way line, N 00°00'46" E 17.01 feet; thence, continuing along said North right-of-way line, N 89°59'18" W 394.00 feet to the easterly right-of-way line of Douglas Avenue; thence, along said easterly right-of-way line, N 44°25'45" W 113.67 feet; thence, continuing along said easterly right-of-way line, N 06°00'00" W 390.35 feet; thence, continuing along said easterly right-of-way line, on the arc of a 956.71 foot radius curve, concave to the southwest, the chord of which bears N 12°39'26" W 221.82 feet; thence, continuing along said easterly right-of-way line, N 19°30'13" W 313.94 feet; thence, continuing along said easterly right-of-way line, N 18°10'08" W 393.39 feet; thence N 40°23'05" E 162.93 feet; thence N 71°49'52" E 8.18 feet; thence N 18°10'08" W 221.10 feet; thence S 71°49'52" W 147.18 feet to said easterly right-of-way line of Douglas Avenue; thence, along said easterly right-of-way line, N 18°10'08" W 200.52 feet; thence S 89°45'06" E 1561.64 feet; thence N 01°17'40" E 462.90 feet; thence S 89°45'06" E 376.77 feet; thence on the arc of a 748.00 foot radius curve, concave to the northeast, the chord of which bears S 50°49'46" E 703.26 feet; thence on the arc of a 272.00 foot radius curve, concave to the southwest, the chord of which bears S 38°48'34" E 350.11 feet; thence S 01°15'02" W 1393.61 feet; thence N 89°50'28" W 634.97 feet to said West right-of-way line of Vacated Charles Street; thence, along said Vacated right-of-way line, S 01°00'35" W 200.09 feet to the point of beginning.

Property Description – West Quarry

That portion of the SW ¼ and the SE ¼ of Section 29, T4N-R23E, Village of Caledonia, Racine County, Wisconsin described as follows:

Commencing at the ¼ section corner common to Sections 29 and 32 of said T4N-R23E; thence, along the North-South ¼ line of said Section 29, N 01°04'36" E 33.01 feet to the North right-of-way line of Three Mile Road and the point of beginning of this description; thence, along said North right-of-way line, S 89°57'20" W 1545.62 feet; thence N 00°44'40" E 407.00 feet; thence S 89°57'20" W 205.06 feet; thence N 00°44'40" E 1002.47 feet; thence S 89°54'57" E 472.03 feet; thence N 00°44'40" E 553.04 feet; thence S 89°54'57" E 910.70 feet, to the westerly right-of-way line of the Union Pacific Railroad; thence, along said westerly right-of-way line, S 19°48'26" E 1655.87 feet; thence, continuing along said westerly right-of-way line, on the arc of a 5729.58 foot radius curve, concave to the southwest, the chord of which bears S 17°42'05" E 421.06 feet, to said North right-of-way line of Three Mile Road; thence, along said North right-of-way line, N 89°59'14" W 346.68 feet to the point of beginning.

Scale Distance Calculation

In accordance with Regulation 3 (D) (2) (d) (v), a scale distance factor of 100 has been used to determine the area of pre-blast notification. There is no change to the maximum charge used at the explosives use boundary from previous renewals.

Larger charges may be used inside the explosives use boundary, however, the charge per delay and scale distance notification radius relationship will not exceed that of the max charge listed at the perimeter of each pit. For example, a charge of 125 lbs/delay could be used at 330 ft inside of the East Pit Explosives Use Boundary and be equivalent to the max of 62 lbs/delay at the explosives use boundary. (See Map 1)

The distances from the explosives use boundary for pre-blast notification were calculated as follows:

$$\text{Notification Radius (ft)} = \text{Scale Distance} \times \sqrt{\text{Max Charge at Perimeter} \left(\frac{\text{lbs}}{\text{delay}} \right)}$$

East Quarry Blasting

Max Charge at Explosives Use Boundary = 62 lbs/delay

$$\text{Notification Radius (ft)} = 100 \times \sqrt{62 \frac{\text{lbs}}{\text{delay}}}$$

Notification Radius = 788 ft

West Quarry Blasting

Max Charge at Explosives Use Boundary = 82 lbs/delay

$$\text{Notification Radius (ft)} = 100 \times \sqrt{82 \frac{\text{lbs}}{\text{delay}}}$$

Notification Radius = 906 ft

RE: Pre-Blast Survey – Notification Letter

Dear Neighbor:

To comply with the blasting ordinance set forth by the Town of Caledonia, Chapter 10, Section 7-10-5(c)(4)(c), Payne and Dolan Inc. is offering you a preblast survey of your home upon request. This service is offered annually as part of our Blasting Permit renewal process, however, the ordinance does limit property owners to one preblast survey every six years unless the dwelling or structure has been substantially modified or improved.

If you have not had a preblast survey completed within the last six years and would wish to request one, please contact the Village Public Works Director or Bryanna Bucholtz with Payne & Dolan at bbucholtz@walbecgroup.com or:

Payne and Dolan Inc.
c/o Bryanna Bucholtz
N3W23650 Badinger Road
PO Box 781
Waukesha, WI 53187-0781

Notices should be received by June 1st, 2021 to insure that all requested surveys can be completed in a timely manner.

If you have any questions, please don't hesitate to contact me at (262) 524-1258.

Sincerely,

Payne & Dolan, Inc.

Clint Weninger, P.G.
Land Resources Manager

BOND NO. 929478846

WESTERN SURETY COMPANY

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS, that we, Payne & Dolan, Inc. of N3 W23650 Badinger Road - Waukesha, WI 53187, as Principal, and Western Surety Company - 333 S. Wabash Avenue - Chicago, IL 60604, as Surety, are held and firmly bound unto the Village of Caledonia - 6922 Nicholson Road - Caledonia, WI 53108, in the full and just sum of Fifty Thousand and 00/100 Dollars (\$50,000.00), good and lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, administrators, executors, successors and assigns, jointly and severally by these presents.

WHEREAS, the Village of Caledonia requires a performance bond under the provisions of Section 7-10 of the Code of Ordinances of the Village of Caledonia as a condition to the issuance of a blasting permit from the Village of Caledonia for Principal's nonmetallic mineral extraction site, the Racine Quarry Aggregate Site (site #80360 - formerly known as the Vulcan Racine Quarry), on property described as part of the South ½ of Section 29, Town 4 North, Range 23 East, Village of Caledonia, Racine County, Wisconsin.

NOW, THEREFORE, the condition of this obligation is such that if said Principal shall well and truly pay to the Village for all damages suffered by the Village, including any damages to utilities and property of the Village, and all costs incurred by the Village to enforce the provisions of Section 7-10 of the Code of Ordinances for the Village of Caledonia and the blasting permit issued to Principal pursuant to such ordinances, then this obligation shall be void, otherwise to remain in full force and effect.

THE SURETY may cancel this bond at any time by filing with the Village of Caledonia ninety (90) days written notice by registered or certified mail of its desire to be relieved of future liability.

Signed, sealed and dated this 12th day of June, 2013
