Village Board – February 14, 2023

Motion by Trustee Weatherston to approve the Village Board minutes of the following meeting(s) as printed. Seconded by Trustee Stillman. Motion carried unanimously.

6 – Citizens Reports (citizen comments are in-person only)

Marla Wishau, 8345 Foley Road, spoke of her involvement with parks and her nine-year work towards a dog park at Gorney Park. She mentioned the amenities already provided in the park, and nearby attractions like Jellystone Park. She explained the park's layout and its conception and stated how the project could be financially and community-supported.

Patricia Roeder, 3016 5 Mile Road, spoke of the issues they've had with dogs in Gorney Park. She mentioned that dogs are currently not allowed in the park, but they are present, and there have been issues with their presence. She was not in support of the location.

Gail, 8724 7 Mile Road, who lives adjacent to the park, is not in support of this being a dog park. She was concerned about the safety of the animals she has on her property, diseases that could be brought to the area, and dogs being abandoned.

Sharon Knapp, 6714 Brian Drive, has been a resident for 39 years and spoke in support of the dog park. She has been going to dog parks for 15 years and felt that owners who take their dogs to a dog park are responsible and attentive to their animals. She addressed the worries of the previous citizen's comments and assured them that she thought it would be a nice amenity for the Village. She felt it was a nice way to connect with their neighbors.

Susan Schlieve, 8531 7 Mile Road, who lives directly across from the park, spoke of another dog park 3.8 miles away and did not understand why another one was needed. She had concerns about what could be brought to the area, who would maintain and enforce the rules, and the limited use of the property. She suggested more natural uses for the area and even volunteered to mow the grass.

Michael Uhler, 8824 7 Mile Road, submitted signatures of those who lived west of the railroad track who were against the dog park. He expressed concerns about traffic and thought the current project should be finished before a new one is started. He believed that the general appearance of the park was poor and that the existing park should be worked on before a new amenity is installed. (These signatures will be included in the minutes as part of the record).

Jason Maller, 8513 7 Mile Road, also lives across the street from Gorney and echoed the concerns of his neighbors. He is not in favor of the location and thought Crawford was a better fit.

Erin Grove, 8432 7 Mile Road, is not opposed to the dog park but is opposed to the location. She has horses on her property and expressed concern about unsafe situations if a horse gets scared.

Diane Maller, 8513 7 Mile Road, who lives across the street from the park, is concerned about the extra traffic. She thought the neighborhood was beautiful as is and thought the fence would ruin the open space view. She believed this would have a negative impact and thought a better location would suit the Village.

Robert Grove was not able to attend this meeting and emailed his comments to the Board, which they requested to be included in the minutes.

8G – Resolution 2023-16 – Resolution Of The Village Of Caledonia Suspending The Community Development Authority Of The Village Of Caledonia, Wisconsin (Community Development Authority: 02/08/2023)

Kasper provided historical context on the use of the Community Development Authority (CDA) and expressed satisfaction with the CDA's achievement of tasks. Kasper noted that for any special tasks required, ad-hoc committees could be created to address specific issues rather than assign tasks to the CDA that are unrelated to their mission.

Trustee Martin agreed that the CDA had not functioned as intended. Trustee Martin states that there were tasks in the Village that did not fall under the responsibility of any department, and the CDA had often assumed these projects. The Board discussed concerns raised by Trustee Martin. It was noted that the appropriate department should be tasked with dealing with these projects.

Motion by Trustee Weatherston to approve Resolution 2023-16 – Resolution Of The Village Of Caledonia Suspending The Community Development Authority Of The Village Of Caledonia, Wisconsin and correct the Resolution date of 2022 to 2023. Seconded by Trustee Stillman. Motion carried unanimously.

The Board expressed support for the idea of creating ad-hoc committees to address specific issues but felt that this concept required further consideration and discussion at the committee level.

Therefore, it was resolved that the proposal be forwarded to the Legislative and Licensing committee for further review, to evaluate the feasibility and effectiveness of creating ad-hoc committees to address outstanding items on the CDA agenda.

9B - SAFER Grant - potential application

BC Walter Leinenger explained that the Chief is requested the opportunity to apply for this SAFER Grant to maintain the three firefighters we will be closing once the past SAFER grant lapses. If the Referendum does not pass, this would provide an alternative to funding these positions.
