Caledonia Parks

Annual Sign Sponsorship

The Village of Caledonia Parks Department established an annual sign sponsorship program in 2018 that offered local businesses the opportunity to support the parks by purchasing a sign and having it display their business logo on our ball diamonds at Gorney and Crawford Park. The program was put on hold in 2020 because of the pandemic and will continue again starting in 2026.

The Caledonia Parks & Recreation Advisory Committee is excited to bring this program back which takes the funds annually provided by your business and uses it to directly support the operations and maintenance of the park and its local programs. Crawford Park is home to a large portion of the sponsors signs which currently hosts St. Catherines High School Softball and an Angels Youth Softball Organization that practices and plays from March to July at these diamonds. As the park continually expands its footprint as part of the 2022 Master Plan, additional sports and users of the facilities will continue to grow the population of people who visit the park.

Sponsorship Signs are either an 8'x4' full size sign or 4'x4' half size and are placed horizontally on the outfield fence of the ball diamonds. Each individual business must provide their own artwork and design to the Village. All signs are then managed and maintained by the Village Parks Staff for the duration of your sponsorship. The Village will also add your information onto our Parks and Recreation webpage to highlight the donation you have provided. Special 5'x10' signs along the backstops are possible and more information can be provided via phone or email.

If you are interested in joining the program, fill out the information below and submit it with a check to the Village with fees in the amount below based upon the fee schedule. The cost of the sign carries an annual fee and an upfront one-time charge to produce the sign and image. Those of you who have already had your sign posted and are looking to update your imagery can submit the new graphics to the Village and will need to pay the one-time fee for updating the graphics.

We appreciate your community support as we continue to improve the quality of life within our Caledonia Parks!

ADVERTISING PROGRAM

Supporting our Parks & Quality of Living in the Community

Last winter, The Park Commission offered local businesses and organizations the opportunity to promote their message or services to the community by purchasing a sign and having it displayed on our outfield fence at Crawford Park.

Your sign has the opportunity to engage with the community with an impactful message and create interest in what you offer. We all know that visual communication helps your business get noticed and that awareness is the key in the ongoing success of a business or organization.

By purchasing a sign in our Advertising Program you have joined a partnership with the parks and you will receive a Certificate of Appreciation that you can proudly display at your business or organization that you are a partner/sponsor of our parks and you support a better quality of living within our area. Your business will also be added to our website as a partner/sponsor.

In our first year we are very proud to have teamed up with 36 local businesses and organizations which allowed us to purchase the five missing spring toys and repair our remote for the scoreboards at Crawford Park. The remaining balance along with our sponsors renewing for another year will allow us to recondition our two tennis courts. All together this is a \$20,000 value in improvements to our various parks. Again, the Park Commission would like to thank everyone for their participation in our advertising program.

In the spring of 2019 we are planning on expanding the Crawford Park with 8 more acres of year round activities. Plus, The Racine Spartan Soccer Group will be scheduling their spring and fall season games at Crawford Park. This will allow the community more opportunity to see your sign proudly displayed in the park. Our new park development will be funded by our impact fees and grants but the ongoing maintenance is where your contributions make a difference in our overall appearance of our parks.

Please consider this opportunity as a way to give back to your parks and also to improve the quality of life within our community. Your partnership will help maintain all our village parks with continuous enhancements for all ages to enjoy.

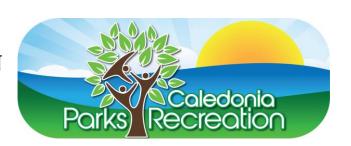

You may contact the Village of Caledonia Parks and Recreation Department, Randall Solberg our Parks Supervisor by email: rsolberg@caledonia-wi.gov with any comments or questions.

We look forward to your partnership
