1. Call the meeting to order

Meeting was called to order at 5:03 pm by Holly McManus

2. Approval of Minutes

Andrew Kallenbach moved to approve the minutes of the June 13, 2022 Parks & Recreation Advisory Committee Meeting, 2nd by Josh Sopczak motion carried unanimously

3. Public comment

No public comment.

4. Crawford Park Master Plan Update

Luke Geiger reviewed the online survey results with the Committee. The survey results showed that the demographics of the respondents indicated that 60% were located within Caledonia and that there was a good cross section of ages responding to the online survey. There were 547 respondents to the online survey. Peter Wagner shared, with the Committee, the results from the two public engagement efforts that were held to further engage the public as part of this process.

The first event was held on July 14th at the Franksville Beer Garden from 5-7pm. The second event was held July 17th at the Milaeger's Farmer's Market from 10am-noon. Village Engineer Ryan Schmidt and Village Administrator Kathy Kasper assisted by attending one event gathering public opinion regarding future development of Crawford Park. Approximately 77 people contributed to the events. Residents stated that they liked the effort the Village was putting forth to engage residents on this project. The following are some of the responses from the survey, and public engagement events:

- | | |
|---|--|
| <input type="radio"/> Splash Pad | <input type="radio"/> Playground (ADA compliant parks) |
| <input type="radio"/> Pickle Ball | <input type="radio"/> Plant lots of trees |
| <input type="radio"/> Frisbee Golf | <input type="radio"/> Bike/Walking Trails |
| <input type="radio"/> Beer Garden | <input type="radio"/> Pavilion/shelters |
| <input type="radio"/> Community Gardens | <input type="radio"/> Rock Climbing |
| <input type="radio"/> Skatepark | <input type="radio"/> Restrooms |
| <input type="radio"/> Food Truck Events | <input type="radio"/> Picnic Areas |

Other comments shared included allowing dogs in Village parks. Install “doggie stations” for waste disposal. Any future development needs to consider ongoing maintenance costs. The Committee discussed the importance of accessibility to Crawford Park. Lastly the Committee discussed the idea of lighting pedestrian walkways through the park.

5. Adjournment

Josh Sopzcak moved to adjourn, 2nd by Lee Wishau. Motion carried unanimously @ 6:01 PM.
