

WIS 38 – Intersection with 4-Mile Rd. and 5-Mile Rd.

Racine County

Project Ids: 2290-25-70 and 2290-26-70

PUBLIC INVOLVEMENT MEETING

Wednesday, January 12th, 2022 (5-7pm)

The Wisconsin Department of Transportation (WisDOT) has scheduled a public involvement meeting to present improvement plans for WIS 38 (Sheridan Road) at the intersections of 4-Mile and 5-Mile Roads.

The meeting will be held at the Caledonia Village Hall located at 5043 Chester Lane, Racine, WI 53402 (Masks are required to be worn inside the building, regardless of vaccination status).

The meeting will be an informal, open house format. You may stop in anytime between 5:00-7:00 p.m. to review the design alternatives and ask questions of WisDOT staff regarding the project. All persons having an interest in the project are encouraged to attend.

If you are unable to attend the meeting in person, project information and meeting displays can be viewed on the WisDOT project website, that can be accessed by scanning the QR Code below.

Purpose of Project:

The purpose of the proposed project is to address the high rate and severity of crashes on WIS 38 at the intersections of 4-mile Road and 5-mile Road in Racine County. Both intersections are included in the top 5 percent most severe crash sites in the state.

WIS 38 Proposed Improvements:

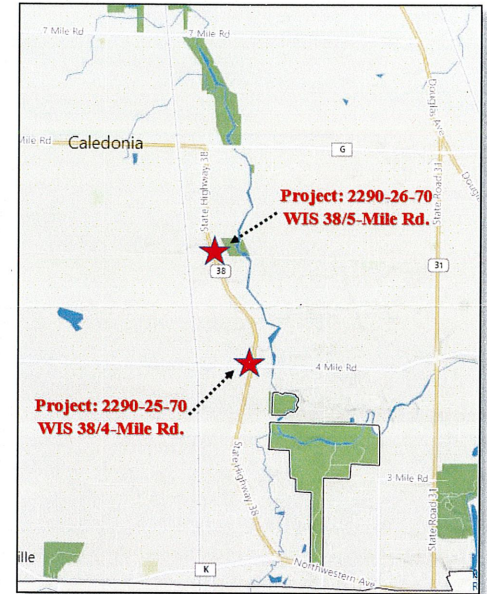

- In order to address the severity of crashes that are being experienced at the intersections, WisDOT is proposing to build single-lane roundabouts at the intersections of 4-Mile and 5-Mile Roads.
- Add side paths and ramps in all four quadrants of the intersection and curb ramps in the islands to accommodate bicycle traffic.

Proposed Schedule:

Citizens who require a sign language interpreter may request one by contacting Ryan Bernard at (262) 548-6471 to make arrangements a minimum of three business days in advance of the meeting. This number is not a TDD telephone. TDD calls may be placed through the Wisconsin Telecommunications Relay System (dial 711).
